2020 Vision

Focus on the Future

Results of a registered voter survey conducted last November illustrated that voters do not support a tax increase to cover the total cost proposed for all of the projects.

Based on this input, the Park Board is no longer considering a potential referendum in March 2020 but is instead continuing to listen to feedback from the community, refining project plans, and will conduct another voter survey later this spring.

The Elmhurst Park District continues to be focused on gathering feedback and listening to the community. Let us know what your vision for the future of Elmhurst's programs, parks and open space looks like.

- Treating all participants, spectators, parents, District staff and law enforcement with respect and as individuals, regardless of their race, sex, gender-identification, creed or ability.
- Not using any foul, abusive, harassing, sexually suggestive, or intimidating/menacing words, gestures, body language, or behavior towards any participant, spectator, or parent.
- Refraining from and reporting any use of alcohol, tobacco, illegal substances, weapons, or devices that may be used as a weapon.
- Not using violence or unwanted physical contact against a participant, spectator, or parent.
- Controlling and taking responsibility for your actions/inactions and the consequences of your actions.
- Always treating the facilities, equipment, supplies, and property with respect.

Letter from the Board President...

When opening your mailbox and seeing 'Spring' splashed across this cover, I like to think that it puts an extra beat in your step. On a cold, blustery day, just the idea of springtime might be enough to lift the spirits.

It's also nice to think how, over the course of the last 100 years, the Park District has helped play a part in the springtime memories of numerous park visitors and program participants. Maybe it's the recollection of stopping by Wilder Park Conservatory for their Spring Flower Show each year. Or the feeling of anticipation that a child has for the Egg Hunt countdown each spring. They are simple memories, but they collectively make up what the Park District is: a place for having fun – for 100 years and counting!

This year, we're extending the fun even further with our first ever Adult Egg Hunt, taking place Saturday, April 4 at Sugar Creek Golf Course. Check out the full details in this brochure. Also, mark your calendars for our traditional children's Egg Hunt on Saturday, April 11 at 10 a.m. sharp. It will be followed by the Doggie Eggstravaganza at 10:30 a.m. (Dog costumes welcomed!).

The Park Board continues to work on refining Vision 2020, the District's long range strategic plan. This spring, another survey will be extended to community members to help determine which Vision 2020 projects have the most community support. We continue to listen to the community regarding their priorities. I encourage you to ask questions, give the District feedback and stay informed. Visiting vision2020.epd.org, our Vision 2020 website, is a great place to start!

I hope you find something in this brochure that has you looking forward to spring. Rest assured – it's just around the corner.

A handwritten signature in black ink that reads "Vince Spaeth".

Vince Spaeth, Board President

Much of today's positive aging, healthy aging, and conscious aging initiatives strongly align with the Sage-ing philosophy. Sage-ing Circles meet weekly for 13 weeks and support the participant's life review and conscious preparation for the Third Age of their life. SEPARATING ART FROM THE ARTIST: #METOO AND THE MUSIC INDUSTRY

#MeToo has shined a spotlight on sexual misconduct in Hollywood, the media and politics, where powerful men have fallen rapidly. But the music world has lagged behind. Jim DeRogatis and Greg Kot, hosts of WBEZ's "Sound Opinions," explore questions about what responsibility we bear for enjoying—or failing to speak out about—troubling themes in an artist's work. If we sing along to Michael Jackson or R. Kelly, are we muting those who accuse them of abuse and assault? Can we really separate the art from the artist? Should we? Presented with Elmhurst College.

Funseekers DAY CAMP

Funseekers Day Camp

(for ages 5-13) is THE go-to camp for an exciting summer of fun!

Choose between our original north side location at the Wagner Community Center and our beautiful south side location at the Eldridge Park Recreation Building.

Let our experienced, enthusiastic, highly trained staff lead your child through a safe and engaging summer. We have small groups, low camper to staff ratios, and great indoor and outdoor spaces for many well-planned activities and special events. We take three to four field trips per week (more than most other camps) to local pools, water parks, and entertainment venues-and the cost of the trips and bus is always included in your fees. Funseekers Day Camp is safe, convenient, and affordable. After Camp Care is also available at both location.

FUNSEEKERS AFTER CAMP CARE

Ages 5-13

This program is for children registered in Funseekers Day Camp who need extended care hours. Care is available after camp from 3-6 p.m. daily at both camp locations. **The deadline for camp registration, withdrawals and changes is 9 A.M. on Monday the week before each session begins. No camp July 3.**

ELMHURST PARK DISTRICT AQUATICS

Welcome to the Elmhurst Park District Swim School! We offer a variety of swim lessons for ages 6 months to adult. We also offer private swim lessons for ages 3 and older.

AQUATICS

WHICH SWIM CLASS IS RIGHT FOR MY CHILD?

Early childhood and youth lessons follow the Starfish Swim School program, a nationally recognized swim instruction curriculum developed by the Starfish Aquatics Institute. The Starfish Swimming curriculum combines both swimming and water safety skill development to help participants advance their swimming skills. Register your child for the program that corresponds with their age.

Starbabies™ – 6-23 months with adult

Startots™ – 2-3 years with adult

Preschool Swim School – 3-5 years

Youth Swim School – 6-12 years

Stroke School® – For students ages 6-12 who have achieved the Green Swim School stage (can tread water for at least 30 seconds & swim freestyle with good form and side breathing for at least 30 feet)

Advanced Stroke School – For students ages 6-12 who are able to swim at least 25 yards (1 length of the pool) with good form freestyle and backstroke.

All participants will be tested on the first day to determine which stage they should begin in. Stages within Swim/Stroke School are based on skill level, not age. Participants will advance to the next stage once they complete the benchmark skills; they may advance through more than one stage in one session.

Cancellation and Make-up Lesson Policies

Lessons are only cancelled due to severe weather, or if the air temperature drops below 65 degrees. If the weather is questionable, please visit the [Rainout Hotline](#) no sooner than 1 hour before the scheduled start time to determine the status of lessons. Make-up lessons will be held on Fridays as needed, and will only be held if the park district cancels the lesson. No make-ups will be issued for sickness or vacations. If more than two lessons are cancelled in a session, a credit will be applied to your Elmhurst Park District account.

The Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors engaged in aquatic activities must recognize that there is an inherent risk of injury.

You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for the activities associated with this Pool Pass. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical/aquatic activity.

Warning of Risk

Swimming and other aquatic activities challenge and engage the physical, mental and emotional resources of each participant. However, despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury, including but not limited to drowning, head/brain injury, and cervical spine injury. Understandably, not all hazards and dangers can be foreseen. The very nature of swimming and aquatic activities are hazardous and risky, including but not limited to fatigue and overexertion, poor swimming skills, failing to avoid dangerous areas, failure of lifeguards to locate victims and/or delay in emergency response time, horseplay, diving or cannon-balling into shallow water and striking the bottom or side of the pool or water slide, poor supervision or instruction, lack of conditioning, becoming disoriented, striking other swimmers, defective or inadequate equipment, striking one's head on the bottom when using a diving block, slipping or falling on the deck or within the locker facility, chemical exposure and all other circumstances inherent to aquatic activities and aquatic facilities. In this regard, it must be recognized that it is impossible for the Park District to guarantee absolute safety.

Photos and videos are periodically taken of people participating in Park District programs and activities. All persons registering for Park District programs/activities, or using Park District property thereby agrees that any photograph or video taken by the District may be used for promotional purposes including social media, publications and online without notice or permission and without participant compensation.

MUSIC

Elmhurst Park District offers a wide variety of music lessons for all ages including Piano, Drum, Guitar and Voice. Playing an instrument, whether using your voice for singing, or a piano or guitar for music, is a life skill that can have a positive impact on the brain, according to a study from Northwestern University. While neural timing slows as we age, musicians are faster at processing noise than their non-musician counterparts. Come explore the benefits of music in a supportive, creative environment.

EXHIBITIONS

Sandra Jorgensen, *Herb's Texaco*, 1978, pastel on paper, 31 x 38 ¼ in.
Elmhurst Art Museum Collection

Sandra Jorgensen January 25 - April 12, 2020

This exhibition surveys the work of artist-curator Sandra Jorgensen (1934-1999). Jorgensen held positions as professor and chair at Elmhurst College and curator of the Elmhurst College Art Collection. As a figure outside of Chicago, her work and influence have largely been overlooked, but her efforts, including curating and promoting the work of the Chicago Imagists, continue to have a major impact nationally and internationally.

Sponsored by Sally J. and Raymond J. Allen, Marcia and Robert Goltermann, and Elmhurst College.

Rendering of *McCormick AfterParti* by Could Be Architecture

Could Be Architecture: *McCormick AfterParti* January 25 - April 12, 2020

Could Be Architecture, a collaborative duo of Joseph Altshuler and Zack Morrison (Elmhurst), designs “seriously playful spaces, things and happenings that celebrate what your world could be”. Their clever wordplay sets the tone for the show; “parti” refers to the basic diagrammatic concept layout for an architectural design.

GYMNASTICS

Our gymnastics classes incorporate aspects of physical fitness, motor development, hand-eye coordination, strength and flexibility. In the beginning, the focus is teaching spatial awareness, socialization and gymnastics skills. As the gymnast grows, the focus moves to skill development in a fun yet safe atmosphere. In our attempt to maintain a safe environment for both children and coaches, we must insist that parents remain outside of the gym during class time.

GIRLS GYMNASTICS CAMP

If your child will be bringing medication such as an inhaler or epi-pen to camp, a medication dispensing form must be completed. All forms as well as Gymnastics Camp information can be located on our website at www.epd.org/gymnastics. Gymnastics Camp does not have a snack time, however we do ask that each participant bring a water bottle and gym shoes each day. Campers will be divided into groups with no more than six participants assigned to one instructor, this will be your child's instructor for the week. It is mandatory that gymnasts dress appropriately; girls are to wear a leotard and shorts or tight fitting t-shirt and shorts - hair tied back. Boys are to wear a t-shirt and shorts. We will be taking photos during the week; please check our Facebook page throughout the summer as we document our fun. Gymnasts will have a great time learning gymnastics in a fun, challenging atmosphere. This week long camp will include basic skill instruction on all gymnastics events. Gymnastics indoor and outdoor games and dance will also be incorporated. No prior gymnastics experience is needed, just a willingness to have fun!

The deadline for camp registration, withdrawals and changes is 9 A.M. on Monday the week before each session begins.

BOYS GYMNASTICS CAMP

Ages 4-11

If your child will be bringing medication such as an inhaler or epi-pen to camp a medication dispensing form must be completed. All forms as well as Gymnastics Camp information can be located on our website at www.epd.org/gymnastics. Gymnastics Camp does not have a snack time, however we do ask that each participant bring a water bottle and gym shoes each day. Campers will be divided into groups with no more than six participants assigned to one instructor, this will be your child's instructor for the week. It is mandatory that gymnasts dress appropriately; girls are to wear a leotard and shorts or tight fitting t-shirt and shorts - hair tied back. Boys are to wear a t-shirt and shorts. We will be taking photos during the week, please check our Facebook page throughout the summer as we document our fun. Gymnasts will have a great time learning gymnastics in a fun, challenging atmosphere. This week long camp will include basic skill instruction on all gymnastics events. Gymnastics indoor and outdoor games and dance will also be incorporated. No prior gymnastics experience is needed, just a willingness to have fun! The deadline for camp registration, withdrawals and changes is 9 A.M. on Monday the week before each session begins.

JUNIOR DEVELOPMENT PATHWAY PROGRAM

Our junior program is the cornerstone of all tennis programming at Courts Plus. Players of all ages develop through the various stages of learning by following our Junior Development Pathway. The Pathway begins with our **10 AND UNDER PROGRAMS** (Mighty Mites, Little Athletes, Big Athletes, and Future Stars). These programs use a curriculum based on the highly successful USTA and ITF 10 and Under program, utilizing appropriate court size and equipment while allowing players to develop through the stages at their own pace.

When children have completed the 10 and Under Program or are new to tennis, they move to the Courts Plus **DEVELOPMENT PROGRAM** and progress at their own pace through the Junior and Senior age levels, with the goal of moving into the **ACADEMY PROGRAM** and/or High School Tennis.

The **ACADEMY PROGRAM** is the pathway for the more serious player who has made a commitment to tennis, competing in tournaments and wants to play on Varsity tennis teams. The **ACADEMY PROGRAM** includes programming at both the junior and senior level.

For players who aspire to play at the top level of competition after the culmination of the Courts Plus Junior Development Program, we offer the **ACADEMY HIGH SCHOOL AND TOURNAMENT GROUPS**.

Picnics in the Parks

Picnics in the Parks

Many parks in the Elmhurst Park District have areas designated for small group picnics that can accommodate up to eight people and are available on a first-come, first-served basis. These picnic areas typically feature one permanent picnic table on a concrete pad and a nearby grill. Larger picnic areas at Berens, Butterfield, Salt Creek, and Wilder Parks can be reserved for exclusive use by obtaining a picnic permit. There is no charge for residents on weekdays and a \$68 charge (\$90 for sheltered areas) for weekend and holiday reservations; the non-resident fee is applicable everyday (\$115 area without shelter, \$145 shelter area). Group picnics with over 100 attendees require a special use permit. Download the application at www.epd.org/picnics-permits. Reservations are only available for large group picnics scheduled from mid-May until the end of October.

All information about picnic areas including fees, capacity, pictures, picnic permit applications and regulations can be found on our website at epd.org/picnics-permits or you can call (630) 993-8901 or visit us at Wagner Community Center.

**Subject to availability.*

Love Your Parks: Give the gift that lasts a lifetime!

The Elmhurst Park District's mission is to provide experiences for the lifetime enjoyment of people who live and play in Elmhurst. Much of what the District provides would not be possible with tax dollars alone. Private help and strong partnerships are essential if we are to continue to enhance our recreation and parks system. Love your parks...and give a gift that lasts a lifetime.

TREE MEMORIAL PROGRAM

The Tree Memorial Program is available to commemorate individuals, organizations and special events such as birthdays and anniversaries. Memorial trees, once planted and marked with a bronze plaque, are living dedications that enhance the community. A wide variety of trees are available through the program, with prices varying according to species. Bronze plaques are placed at the foot of each tree, and plaque prices vary depending on the size and length of your inscription.

COMMEMORATIVE BRICKS PROGRAM

The Elmhurst Park District invites you to honor a loved one or commemorate a special occasion with a permanent engraved brick paver. With seven unique locations to choose from, including the Diana Nicholas Memorial Garden at Wilder Mansion, The Hub at Berens Park, and the Wilder Woodland Walkway, you're sure to find the perfect spot for your message.

PARK BENCH MEMORIAL PROGRAM

Create a dedicated space to commemorate a special person in your life or celebrate a special event with a Park Bench Memorial. Once installed, park benches are marked with a 2" x 4" bronze plaque and can be personalized with up to three lines of type. The commemorative park bench serves as a beautiful lasting remembrance that will benefit the community for many years.

LAMPOST MEMORIAL PROGRAM

Framing the Prairie Path, Elmhurst's lampposts light the way for the hundreds of bikers, walkers, runners and nature enthusiasts that traverse its length each day. With a donation to the People for Elmhurst Parks Foundation (PEP), a bronze plaque will be installed on an available lamppost to preserve the legacy of your loved one or commemorate a special occasion.

CASH DONATIONS

Cash donations are a direct way to show your love for the parks. Donations can be unrestricted or restricted to a particular park, building, or program area.

LAND TRUSTS

The development and protection of green space is a key objective of the District. Land trusts are a wonderful way to ensure more green space for future generations.

WILLS & LIVING TRUSTS

The Elmhurst Park District benefits from your planned future support of our parks and facilities. Much of the valued green space in the community today is the result of generous Elmhurst residents.

CENSUS 2020

ELMHURST.ORG/CENSUS2020

Census 2020 is coming to your mailbox in March 2020!

Participation is critical for your community. When you respond to the census, you help Elmhurst get its fair share of the more than \$675 billion per year in federal funds spent on schools, hospitals, roads, public works, and other vital programs. Federal funds, grants, and support to states, counties, and communities are based on population totals and breakdowns by sex, age, race, and other factors. The community benefits most when the census counts everyone.

People for Elmhurst Parks Foundation

Founded in 1985, the People for Elmhurst Parks Foundation (PEP) is an independent group of concerned individuals that works in partnership with the Park District to raise funds for many park and recreation projects that benefit the community. Since its inception, PEP has raised over \$350,000 to help fund projects such as the Playground for Everyone, Safety Town, the Spring Road Gazebo at the Prairie Path, the Mobile Band Shell, Prairie Path lampposts, York Commons Skate Park and the Wilder Mansion Historic Preservation & Beautification Endowment Fund.
