To the Elmhurst Community

Fall is in full swing in our parks. One of the best ways to recharge is to get outdoors and this time of year is one not to miss, with its spectrum of colors and sights. Find a new favorite walk by checking out the [Park District Trail Guide](#).

Our November/December Brochure features the continuation of programs featured in the Fall I Brochure as well as some new options, as the District continues to create events and activities that fit the current environment. We continue to keep the safety of participants and staff in mind at all times.

The fall and winter, we will bring many of our traditional events to your family. Shopping at Santa's Workshop will be back this year, with the opportunity for kids to register for a time to stop by Santa's Workshop at Wilder Mansion and shop for inexpensive holiday gifts. Wilder Park Conservatory will open for its seasonal flower shows, the Mums Show from October 31-November 29 and the Holiday Flower from December 5-January 10, 2021.

Finally, our [Tree Lighting](#) event will take place via a Facebook Live event this year on Thursday, December 3 at 6 p.m. Grab some cookies and hot cocoa and hop on Facebook to ring in the holiday season with us!

Join your family or organization and purchase and decorate one of the trees which will be featured at the event. Your tree will be up in Wilder Park throughout the holiday season, giving family, friends and members of your organization a chance to visit the tree and enjoy the lights. [Purchase your tree here](#).

As the holidays approach, I hope you and your family are safe and healthy during this unprecedented time. We are grateful for the opportunity to continue to serve you in every season.

Sugar Creek Golf Course is a 9-hole, par 32 course, owned and operated by the Elmhurst Park District and Village of Villa Park. The course features large, smoothly contoured Penncross bentgrass greens, a 3-acre pond coming into play on four of the nine holes, and excellent turf for golf. It provides a challenge for the more experienced player, yet is short enough for the beginner.

The state of Illinois has approved moving to Phase 4 of the Restore Illinois program which will allow us to expand our driving range back to 100% capacity. Also we will reopen our banquet business for hosting events with a maximum capacity of 50 guests!

A Space Problem

Organized by David Salkin

September 10 – November 15, 2020

One half of the McCormick House will feature mid-century furnishings along with works by local artists and architects. Designer David Salkin organized the exhibit as a home with a range of paintings, patterned rugs, ceramics, photo collages, and design objects. Featured artists include: Marshall Brown, Jennefer Hoffman, Sterling Lawrence, David Salkin, and Geoffrey Todd Smith. This combination of new and vintage works is organized in conjunction with a full wing dedicated to models, historical photographs, and stories about the McCormick House's uniqueness as a prefab prototype by the famed modernist Mies van der Rohe.

Art in the Post

September 10 – November 22, 2020

OPEN CALL - Anonymously contribute to our mail art project by sharing something about your life. Originally created for responses to COVID, our mail art project also allows for your reflection on racial injustice and other current events. Share something on a postcard (or index card) and it will be exhibited at the museum in September.

Submissions will be accepted until August 30, 2020. All ages welcome and encouraged. See our website for submission suggestions and postcard format instructions

Luftwerk & Normal: Color Code

September 15 – November 3, 2020

In Color Code transforms the international signal of distress into a sign of solidarity and connectedness. Using the universal languages of morse code and color theory this installation of three flags stands as a call for humanity and a willingness to help one another.

As the world adjusts to new norms in challenging times, reconsidering how language, objects and symbols, and even color can help us find stable ground and safety no matter where we are, Color Code expands Luftwerk's inquiry by investigating color as a system of language and symbols, and a marker of emotion.

Luftwerk is the artist collaboration of Petra Bachmaier and Sean Gallero. Normal is a collaborative, multi-disciplinary design practice based out of Chicago.

*All dates subject to change based on the effects from the coronavirus.

EXHIBITIONS

In partnership, the Elmhurst Art Museum and Elmhurst History Museum will both host Frank Lloyd Wright exhibits this fall.

Wright Before the “Lloyd”
Elmhurst Art Museum
September 10, 2020 – February 14, 2021

Mention the name Frank Lloyd Wright, and modern architecture immediately comes to everyone’s mind. But as a young Chicago architect of the 1890s, signing his work with a less dramatic “Frank L. Wright” his early work included many and diverse influences – some of which look back to classical antiquity, English tudor and other unexpected sources. This exhibit explores seldom discussed early projects that demonstrate how Wright’s path to becoming a modern architect had deep and far-reaching roots.

Supported by Gigi & James Owens and Francesca DeBiase & Jassem el Mahmoud.

Frank Lloyd Wright: Architecture of the Interior
Elmhurst History Museum
October 23-December 20, 2020

Through reproduction drawings and photographs, this exhibit illustrates the myriad ways--both obvious and subtle--in which Frank Lloyd Wright created the visual character of an interior space, with each object acting as an essential detail of the large whole. A national touring exhibit from International Arts & Artists.

Frank Lloyd Wright: Architecture of the Interior is organized by International Arts & Artists, Washington, DC, in cooperation with the Frank Lloyd Wright Foundation, Scottsdale, AZ.

EVENTS

Architecture: Self-Guided Walking Tour
September 10, 2020-February 14, 2021

*Due to COVID-19, the museum has made numerous adjustments to its schedule. Please check our website for full details of classes, camps, and other program listings.

*All exhibition and program dates subject to change

Framing the Prairie Path, Elmhurst's lampposts light the way for the hundreds of bikers, walkers, runners and nature enthusiasts that traverse its length each day. With a donation to the People for Elmhurst Parks Foundation (PEP), a bronze plaque will be installed on an available lamppost to preserve the legacy of your loved one or commemorate a special occasion.
