To the Elmhurst Community,

I think we're all especially grateful and excited to see summer arrive to our parks. Being outdoors and active comes a little more naturally during sunny days and the Park District is happy to provide the community with parks, programming and events that help you enjoy the outdoors to their fullest.

This summer we're looking forward to bringing the community together at camps, at the pools, and at many of our popular events! We'll kick off the summer at Eldridge Adventure Day on Sunday, June 6, featuring a fishing derby and activities promoting the great outdoors. The event will be free, but registration will be required this year.

Other popular events, including Movies in the Park and Bags, Brew and BBQ are planned as well. As a reminder, these events are subject to change in accordance with the Restore Illinois Plan, so visit epd.org or our Facebook page for the latest information.

Be sure to check out details for our pool reopening plans in this brochure. This summer, we intend to open East End Pool, Smalley Pool and the spray ground at The Hub! The tentative schedule is to open the spray ground on Saturday, May 29, East End Pool on Saturday, June 12 and Smalley Pool on Saturday, June 19. All three facilities will require advance reservations. Learn more about the pool reopening plans here.

We continue to Focus on the Future with essential projects, along with Vision 2020 Plan high priority projects with dedicated outside funding sources. This year, these projects include the new Adult Center renovation and the development of Centennial Park, to be funded primarily from the \$1,600,000 sale of The Abbey Senior Center.

Another Vision 2020 project is the demolition of the 135 Palmer Drive building and restoration of the site to expand Glos Park, which will be funded with previously received developer impact fees, along with additional fees to be received in 2021. Learn more about these projects at epd.org.

On behalf of my fellow commissioners, it is our privilege to serve you in every season.

Celebration Self-Esteem and Leadership Lab

Ages 7-13

Summer is ending and kids will soon be headed back to school. As you stock up on school supplies, don't forget self-esteem and leadership! While building these skills is a lifelong journey, this workshop is a great kickoff. This self-esteem lab experience offers incredibly fun activities and games to boost our children's gifts and talents in the 2021-2022 school year. Everyone is good at something; we just have to roll up our sleeves and figure it out. Through wacky dramatizations and experiences, kids will have the chance to cultivate self-worth and will not even realize they are working on it! What to expect? Interactive games like: Splat Ball Scatter, Lollipop Marathon, King's Throne, Balloon Bust, Whirling Confetti Storm, Compliment Cafe, and more! Kid's emotional buckets will get filled and will likely be overflowing with confidence when they depart this class. Research shows that children who had opportunities to build self-esteem as a child, display higher leadership skills later in life. In a self-absorbed and competitive world, garnering and keeping selfesteem is sometimes a tall order, but this class will help harness it!

"There is Black Housing in the Future": Equitable Public Housing as Memorial

January 28 - June 20, 2021

This two-person installation in the Museum's McCormick House is by Pittsburgh-based Alisha Wormsley and Chicago-based Ayanah Moor. It was created as a means of activism and education to support mothers fighting for the future of Black housing.

The exhibition references national, community, and grass-roots organizations-like Moms 4 Housing-that advocate for afford-able, dignified housing for all. There is Black Housing in the Future is inspired by Afro-Futurist artists and writers who affirm the visibility and well-being of Black communities across notions of space and time. An artist-designed activity for youth complements this installation to produce message-based posters, yard signs, and even kites to support their communities' voices.

This exhibition is part of the Shaping the Past program in partnership with the Goethe-Institut, Monument Lab, and the Bundeszentrale für politische Bildung (Federal Agency for Civic Education).

Supported by the Goethe-Institut and Wunderbar Together.

In Focus: The Chicago Freedom Movement & the Fight for Fair Housing

March 4 - June 20, 2021

This exhibition reflects on historical and contemporary responses to fair housing in the Chicagoland area, beginning with the crucial Chicago Freedom Movement led by Dr. Martin Luther King Jr., James Bevel, and Al Raby.

"In Focus" features a variety of photo-based works including 40 historic color images by activist Bernard Kleina, contemporary pictures by Vashon Jordan Jr, and a new collaborative project between the Design Museum of Chicago, our Teen Art Council, and York Community High School's Black Student Union. The exhibition will also include local responses to the Chicago Freedom Movement including oral histories, maps, statistics, and more provided by partnering organizations.

This exhibition is generously sponsored by the JCS Arts, Health and Education Fund of the DuPage Foundation and David C. & Sarajean Ruttenberg Arts Foundation.

Par Excellence Redux 2021

The Front 9: July 7 - September 26, 2021 The Back 9: October 13 - January 2, 2022

In a unique collision of recreation and art, the Museum has commissioned a two-part miniature golf course of playable works of art by local and national artists. This course is a reimagining of the wildly popular 1988 exhibition Par Excellence at the School of the Art Institute of Chicago. A public call for proposals for area artists, designers, and architects attracted diverse artists who designed holes of varying difficulty, including the museum's Teen Art Council. The custom-built playable miniature golf course will be split into two exhibits: The Front 9 (summer) and The Back 9 (fall). Designed to use the museum's galleries with COVID protocols, the two 9-hole courses will be comprised of a surprisingly varied collection of themes and forms, promising an unusual twist on a familiar pastime.

www.elmhurstartmuseum.org/golf

The course opens July 7th with advanced Tee Times starting June 1st.

Advanced registration will be available for private event rentals of the fully playable mini-golf course. This is the perfect setting for kids birthday parties, company retreats, weddings, and more. Send inquiries to events@elmhurstartmuseum.org

At our Summer Camps, each week's curriculum is uniquely themed, so no two weeks are the same. Our campers also find inspiration through a variety of hands-on activities in our Education Center and outdoors in Wilder Park. Building sculpture and painting with multimedia, ceramics, printmaking, and experiencing first-hand the art exhibitions at the Museum help kids develop new skills in a fun and energetic environment.

Following the guidelines provided by the CDC and local public health professionals, we have updated policies for our summer camps. Check our website for more information about our updated policies.

Short Story Writing

The short story is a time-honored tradition for writers. The challenge for the writer is to pack all of the essential elements into a story that is just a few pages long. Using a combination of writing prompts, in-class writing, and discussion, students complete this session with a draft of a short story as well as the direction in marketing it. Writer Paul Barile has had short stories published in a variety of magazines and 'zines.'

Love your parks...and give a gift that lasts a lifetime.

Brochure Advertising

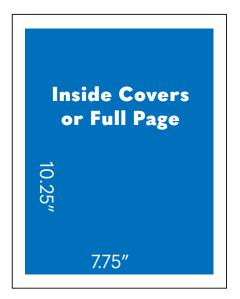

Promote your business or organization to the Elmhurst community in the virtual seasonal brochure!

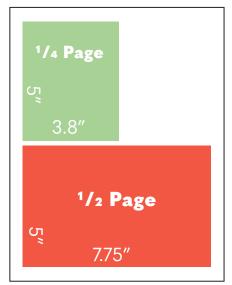

In 2020, the Elmhurst Park District brochure went virtual. We wanted to ensure information could be released in a timely manner. Despite being moved online, viewership remained high and even surpassed our expectations. For example, the fall brochure was viewed more than 30,000 times compared to just 3,300 the year prior. This tells us that the community remains very interested in Park District programming and events. The link is also shared to more than 12,500 contacts in Elmhurst. Cover ads were moved to the front of the brochure to ensure views, and we include a link to your website. These brochures are used as a household reference guide with a "shelf-life" of up to three months.

For 2021, we plan to continue with the virtual brochure until the time comes when it makes sense to begin printing again.
