Governor Pritzker announced that Tier 3 mitigations will go through Friday, January 15 if mitigation criteria are met. As a result, programs scheduled to begin in person from Jan 4-17 are still delayed or are being held virtually. Once a start date has been determined, participants will be refunded/credited for any delayed classes or cancelled programs. Participants will be contacted directly regarding the status of their program.

Next Brochure Available on February 19, 2021

Brochures will be available online only until further notice. To provide you the most up-to-date information, the brochures will be available online only at epd.org. We will continue to review guidelines to determine the best way to safely serve the community while fulfilling our mission of enriching lives while having fun. Updates made in the brochure will be communicated via email and our social media pages. Please subscribe to our E-newsletter or follow us on Facebook. Thank you for your continued support, patience, and understanding during this time.
To the Elmhurst Community,

The leaves have fallen and winter seems to be settling in around Elmhurst. As we prepare for the cold season, I hope you and your family continue to be safe and healthy.

The holidays are fast approaching. Our traditional Tree Lighting event went virtual this year, as we kicked off the holiday season on Facebook Live. Visit the Facebook event page to see a recording of the event, which took place December 3.

The trees will be up through the first of the year, so make a trip to the park and view the community trees in-person. While you’re there, check out Wilder Park Conservatory’s Holiday Flower Show. It’s another beautiful tradition which continues this year. The show begins December 5 and runs through January 10 (the Conservatory is currently closed due to current restrictions, but some parts of the show are set outside and can be seen along the Conservatory windows on the garden side).

As I write this, our region is under Tier 3 mitigation and cases of COVID-19 are rising. Under this measure, organized group recreational activities and gym capacities are reduced to 25 people or 25% of capacity (whichever is less) for both indoor and outdoor activities. Groups can be no larger than 10. The Park District and program supervisors will continue to monitor state mitigation plans to ensure our programs are running safely and within the guidelines. Visit epd.org for the most up-to-date information.

Spending time outdoors continues to be one of the best ways to prevent the spread of COVID-19. With this in mind, tennis, roller hockey and pickle ball nets will stay up in the parks this winter, giving the community a chance to enjoy some fun at the courts on any unseasonably warm days. Lights at the courts will remain off during the winter.

As this year wraps up, I wish your family well. Maybe your connection with the Park District was a little different this year, more time spent on our trails than in our programs. However, the silver lining of 2020 is that it reminded us of the importance of both; how our community and our outdoor environment can boost both our moods and our minds.

I, and the Park District, look forward to seeing more of you in 2021 as we continue to focus on safety and on our mission of enriching lives while having fun.

Sugar Creek Golf Course is a 9-hole, par 32 course, owned and operated by the Elmhurst Park District and Village of Villa Park. The course features large, smoothly contoured Penncross bentgrass greens, a 3-acre pond coming into play on four of the nine holes, and excellent turf for golf. It provides a challenge for the more experienced player, yet is short enough for the beginner.

Memorials and Gifts

The Elmhurst Park District’s mission is to provide experiences for the lifetime enjoyment of people who live and play in Elmhurst. Much of what the District provides would not be possible with tax dollars alone. Private help and strong partnerships are essential if we are to continue to enhance our recreation and parks system. Love your parks…and give a gift that lasts a lifetime.

Lamp Post Memorial Program
Framing the Prairie Path, Elmhurst’s lampposts light the way for the hundreds of bikers, walkers, runners and nature enthusiasts that traverse its length each day.
