CITY MANAGER

Aug. 12, 2014

Dear Cayuga Avenue Residents:

Thank you for your concern as the City of Elmhurst explores options in alleviating localized homeowner flooding.

As part of the City's acknowledgement of your petition, the city is coordinating a public meeting regarding the York Commons Stormwater Mitigation Plan. The meeting will be held **Monday, August 18, at 6:00 p.m.** in the City Council Chambers, located on the 2<sup>nd</sup> floor of City Hall (209 N. York Street).

The meeting will include a presentation by Christopher B. Burke Engineering, Ltd., followed by an open forum and/or breakout sessions designed to address questions and concerns. The goal of this meeting is to inform, educate, and listen to all interested parties regarding the York Commons project proposal.

The City values your input and sincerely hopes you can attend this meeting. It will be an open meeting for all residents who choose to attend. Thanks in advance for your consideration.

Sincerely,

James A. Grabowski  
City Manager
