

## Musical Instrument Rentals

Young students starting out on violin, viola and guitar usually begin playing instruments sized smaller than full adult-sized ones. Locally, you may find excellent rental instruments at:

Luscombe Music  
122 W. Vallette Street  
Elmhurst, IL 60126  
630-833-7381

Kenneth Stein Violins  
172 N York Street  
Elmhurst, IL 60126  
630-782-0273

A good, playable, student-sized guitar will be much less expensive than a violin! However, a guitar should be purchased and set up for playing by a music shop (not a big box chain store). Look for guitars at places such as Luscombe, Guitar Center, and Sam Ash Music.
