Welcome to Preschool Piano – Music for Little Mozarts

Thank you for joining the Preschool Piano program. These small group classes focus on developing the skills that are fundamental to beginning piano lessons. Utilizing the *Music for Little Mozarts* instructional series, these fast-paced, fun classes include singing, ear-training, pre-note reading and rhythm training. Creative visual aids are used to capture students’ attention and to help them remember music notations and the concepts being taught.

Program Attendance Policies

- Please arrive at least 5 minutes prior to class time.
- Leave all snacks and beverages in the lobby. If your child has been snacking, please have them wash their hands before class.
- The instructor will meet the students in the lobby of the Wagner Community Center at class time and escort the students to the classroom.
- Do not stand outside of the classroom. Because the entire wall of the room is a window, the students can become easily distracted by parents or siblings in the hallway.
- The instructor will escort the students to the lobby to meet you at the end of class.
- Students who are ill, with a fever or communicable symptoms should not attend class.

Program Materials

- A Little Mozarts Lesson Book and a Work Book are required materials for this course. Your instructor will let you know which level book to purchase. Books are available for purchase at the Wagner Center Registration Desk.
- Music Book Bag – students will receive a book bag from their instructor. Students bring their music lesson and work books to every class.

We look forward to seeing the students every week!
