DEAR ELMHURST RESIDENTS,

We're still in the height of the sunny season here at the Park District, but the dog days of summer are not far off, which means fall is just around the corner. This brochure is full of fall activities, sports and community events that will keep your family having fun and pursuing recreation long after the heat of summer wears off.

Some of our favorite family events are coming up, including Touch A Truck on September 8 and Family Fall Fest on October 13. We're also excited to bring back a new favorite, Movie on the Green on September 22. Leave the kids at home and enjoy food and adult beverages as Sugar Creek Golf Course hosts an outdoor showing of the classic film, The Blues Brothers.

We know you look forward to participating in your favorite Park District programs and staff has continued to work closely with registration software provider Vermont Systems, Inc. (VSI) to ensure that this fall's registration goes smoothly. Understanding the importance of this to the community, the District has moved forward to have VSI host the software on their cloud servers ahead of the August 4 fall registration. Previously the software was hosted on the District's on premise servers. The larger size of VSI's servers provides more room and flexibility during big registration events. But please note that the website address has changed. If you've previously bookmarked the registration page, please take a moment to visit the registration page on our website at www.epd.org to update your bookmarks.

While browsing the brochure, be sure to read through our Annual Report and 2017 Highlights, which include the redevelopment of Plunkett Park playground and our progress on projects which align with our Vision 2020 comprehensive & strategic plan. You'll also want to mark your calendar for Thursday, July 12 and Thursday, July 26 as we host open houses to get feedback on a future dog park.

We're sure you've had a busy summer and the Park District has also kept busy. Conrad Fischer Park's playground redevelopment kicked off in early June and the work, which includes installation of a new playground and redevelopment of the tennis courts, should be completed in early August. The resurfacing of the Berens Park Turf Fields also began in early June and is now complete.

Don't forget to join us at our final event of the summer season, Park Palooza, coming up on August 25 from 5-10 p.m. With music performances by The Music Dudes and Red Woody, food trucks, an expanded beer and wine garden and plenty of kids' activities, we'll make it a summer night to remember for the whole family!

On behalf of my fellow commissioners, it is our privilege to serve you in every season!

Junior Development Pathway Program

10 AND UNDER

develop through the various stages of learning by following our Junior Development Pathway. The

Pathway begins with our 10 AND UNDER PROGRAMS (Mighty Mites, Little Athletes, Big Athletes, and Future Stars). These programs use a curriculum based on the highly successful USTA and ITF 10 and Under program, utilizing appropriate court size and equipment while allowing players to develop through the stages at their own pace.

When children have completed the 10 and Under Program or are new to tennis, they move to the Courts Plus DEVELOPMENT PROGRAM and progress at their own pace through the Junior and Senior age levels, with the goal of moving into the ACADEMY PROGRAM and/or High School Tennis.

The ACADEMY PROGRAM is the pathway for the more serious player who has made a commitment to tennis, competing in tournaments and wants to play on Varsity tennis teams. The ACADEMY **PROGRAM** includes programming at both the junior and senior level.

For players who aspire to play at the top level of competition after the culmination of the Courts Plus Junior Development Program, we offer the ELMHURST ELITE TENNIS PROGRAM (EETP).

STAGE	AGE	COURT	BALL	RACQUET
Red Court	(3-8)	36′	Red/foam	up to 23"
Orange Court	(6-8)	60′	Orange	up to 25"

Yellow Court	(11-+)	78'/ full court	Yellow/standard	27"/ full size

and Under Tennis **Mighty Mites** Ages 3-5

The main focus is learning the primary stages of athletic skills such as movement, balance and hand-eye coordination. Individual and team games plus fun activities help develop basic techniques and simple tactics. Mighty Mites use a foam ball and play on a 36' court to maximize learning and fun. For kids ages 3-4 we encourage parents to come onto the court and assist them. Location: Courts Plus Min/Max - 3/6

UPDATE: The District has moved to a hosted solution following the registration issues that occurred in February. VSI, the software provider of the District's registration system, will now host the software on their cloud servers instead of on the District's on-premise servers. The larger size of VSI's servers provides more room and flexibility during big registration events and allows VSI staff to monitor the servers throughout registration. Please note that the website address has changed. If you've previously bookmarked the registration page, please take a moment to visit the registration page on our website at www.epd.org to update your bookmarks.

PICNICS IN THE PARKS

Many parks in the Elmhurst Park District have areas designated for small group picnics that can accommodate up to eight people and are available on a first-come, first-served basis. These picnic areas typically feature one permanent picnic table on a concrete pad and a nearby grill. Larger picnic areas at Berens, Butterfield, Salt Creek, and Wilder parks can be reserved for exclusive use by obtaining a picnic permit. There is no charge for residents on weekdays and a \$60 charge (\$83 for sheltered areas) for weekend and holiday reservations; the non-resident fee is applicable everyday (\$105 area without shelter, \$135 shelter area.) Group picnics with over 100 attendees require a special use permit. Download the application at www.epd.org/picnics-permits. Reservations are only available for large group picnics scheduled from mid-May until the end of October.

All information about picnic areas including fees, capacity, pictures, picnic permit applications and regulations can be found on our website at epd.org/picnics-permits or you can call (630) 993-8901 or visit us at Wagner Community Center.

Memorials & Gifts Love Your Parks: Give a gift that lasts a lifetime!

The Elmhurst Park District's mission is to provide experiences for the lifetime enjoyment of people who live and play in Elmhurst. Much of what the District provides would not be possible with tax dollars alone. Private help and strong partnerships are essential if we are to continue to enhance our recreation and parks system. Love your parks...and give a gift that lasts a lifetime.

TREE MEMORIAL PROGRAM

The Tree Memorial Program is available to commemorate individuals, organizations and special events such as birthdays and anniversaries. Memorial trees, once planted and marked with a bronze plaque, are living dedications that enhance the community. A wide variety of trees are available through the program, with prices varying according to species. Bronze plaques are placed at the foot of each tree, and plaque prices vary depending on the size and length of your inscription.

COMMEMORATIVE BRICKS PROGRAM

The Elmhurst Park District invites you to honor a loved one or commemorate a special occasion with a permanent engraved brick paver. With seven unique locations to choose from, including the Diana Nicholas Memorial Garden at Wilder Mansion, The Hub at Berens Park, and the Wilder Woodland Walkway, you're sure to find the perfect spot for your message.

PARK BENCH MEMORIAL PROGRAM

Create a dedicated space to commemorate a special person in your life or celebrate a special event with a Park Bench Memorial. Once installed, park benches are marked with a $2^{\prime\prime}x4^{\prime\prime}$ bronze plaque and can be personalized with up to three lines of type. The commemorative park bench serves as a beautiful lasting remembrance that will benefit the community for many years.

LAMPPOST MEMORIAL PROGRAM

Framing the Prairie Path, Elmhurst's lampposts light the way for the hundreds of bikers, walkers, runners and nature enthusiasts that traverse its length each day. With a donation to the People for Elmhurst Parks Foundation (PEP), a bronze plaque will be installed on an available lamppost to preserve the legacy of your loved one or commemorate a special occasion.

CASH DONATIONS

Cash donations are a direct way to show your love for the parks. Donations can be unrestricted or restricted to a particular park, building, or program area.

LAND TRUSTS

The development and protection of green space is a key objective of the District. Land trusts are a wonderful way to ensure more green space for future generations.

WILLS & LIVING TRUSTS

The Elmhurst Park District benefits from your planned future support of our parks and facilities. Much of the valued green space in the community today is the result of generous Elmhurst residents.

People for Elmhurst Parks Foundation

Founded in 1985, the People for Elmhurst Parks Foundation (PEP) is an independent group of concerned individuals that works in partnership with the Park District to raise funds for many park and recreation projects that benefit the community. Since its inception, PEP has raised over \$350,000 to help fund projects such as Safety Town, the Spring Road Gazebo at the Prairie Path, the Mobile Band Shell, Prairie Path lampposts, York Commons Skate Park and the Wilder Mansion Historic Preservation & Beautification Endowment Fund.

Want to Start Making a Difference?

Interested in becoming a PEP Board member or volunteer? For more information on the PEP Board or volunteering with PEP, please call (630) 993-8924 or e-mail pep@epd.org and receive a PEP membership & volunteer application.

Donation Opportunities

We ask that you consider assisting with one or more of the following programs or projects that benefit the entire community. Following is a list of current projects to which you can contribute. PEP is a 501 (c) (3) charitable organization and all contributions are 100% tax deductible.

Recreation Assistance Program

PEP created the Recreation Assistance Fund which provides assistance to financially disadvantaged families so that they and their children can participate in recreational programs. You can donate to this fund right on your program application. In 2011 alone, the Recreation Assistance program provided \$38,951 to 94 deserving families.

Wilder Mansion Historic Preservation & Beautification Endowment Fund

Created in order to provide funds to be used toward the continued preservation of Wilder Mansion. Framed dedication pieces, recognition plaques and room recognition are all donation opportunities available at Wilder Mansion.
