Welcome!

Fourth of July has passed and we've reached the height of summer. There is still plenty to enjoy, but staff is in full planning mode for fall! School supply sales and end-of-summer parties are right around the corner, and we have a party you won't want to miss!

Park Palooza is a great way to wrap up your family's summer with neighbors and friends. This year's event is on Saturday, August 24 from 5-10 p.m. Classic rock group 97nine and 90s party band Run Forrest Run will take the stage while games and activities for all ages will keep the little ones entertained.

When making your fall plans, don't forget to save the date for our community events. Annual favorites, like Touch a Truck and Family Fall Fest, are back this year. Also returning is Movie on the Green, on September 21, featuring *Ferris Bueller's Day Off*. Make it a date night and join us at Sugar Creek Golf Course for a showing of the classic, *Ferris Bueller's Day Off*.

The Park District continues to use the Vision 2020 Plan to help us guide improvements for our future.

Salt Creek Park's redevelopment is underway and is expected to be completed in September. Park visitors can look forward to a new playground, a looped trail and more tree shade. Check epd.org and our Facebook page for information on a ribbon cutting celebrating the park updates.

We're also excited to introduce the community to the first dedicated pickle ball courts in the Park District. Six courts will be developed in August at Crestview Park. Pickle ball is an increasingly popular sport and this is a welcomed opportunity to diversify the types of games residents can play in our parks. The courts are expected to be completed in September.

Enjoy the rest of your summer and take a moment to look through this brochure to find more opportunities for fun and enrichment this fall!

On behalf of my fellow commissioners, it is our privilege to serve you in every season.

Does your child love to sing, dance, and perform for others? This entertaining program emphasizes the journey toward producing a show from start to finish, while creating a fun environment to stretch dramatic wings. Performances at 1pm and 5pm on Saturday, December 14 will give the cast a chance to show friends and family all that they have learned in only fourteen weeks. What Came After: Figurative Painting in Chicago 1978-98

September 14, 2019 - January 12, 2020

The exhibition *What Came After*, organized by artist Phyllis Bramson, is a survey of diverse interests in the figure as a subject, the human condition, and an interest in personal iconography. The exhibition will showcase the generation of artists who came immediately after the Chicago Imagists and struggled to break free of the expectations and limitations of that legacy. These painters each became recognized in their own right, but were not branded as a recognized group. The show of 30 paintings will serve as an introduction to these artists for a broad audience, while also examining a specific time and place in Chicago's recent history. Artists include Nicholas Africano, Phyllis Bramson, Susanne Doremus, Eleanor Speiss-Ferris, Richard Hull, Michiko Itatani, Paul Lamantia, Robert Lostutter, Jim Lutes, Tony Phillips, David Sharpe, Hollis Sigler, Ken Warneke, Margaret Wharton, and Mary Lou Zelazny.

The exhibition is dedicated to the late art critic James Yood—a champion of Midwest artists.

Organized in conjunction with a new installation of Elmhurst College's internationally recognized Chicago Imagist collection at the A.C. Buehler Library.

Sponsored by the Explore Elmhurst Grant Program.

The McCormick House – Past, Present, Future

September 14, 2019 - January 12, 2020

This exhibition, curated by Rob Kleinschmidt, will present a full 1950s domestic interior in the McCormick House for the first time in the museum's history. The house (1952) was designed as a prototype for prefabricated housing proposed for the western Chicagoland area, which was to be developed and sold by Robert Hall McCormick III. He attempted to sell and promote the modular homes but was not met with enough buyers for construction. The house was later lived in by families of Arthur and Marilyn Sladek, Ray and Mary Ann Fick, and then purchased by the Elmhurst Art Museum for a new arts complex. The exhibition will present visitors with classic mid-Century furniture as well as historic images showing how residents lived in the home, explanations about the current transitional state of its preservation, and information about the upcoming journey of restoring the house back to its original state.

Tennis: Junior Development Pathway Program

Our junior program is the cornerstone of all tennis programming at Courts Plus. Players of all ages develop through the various stages of learning by following our Junior Development Pathway. The Pathway begins with our **10 AND UNDER PROGRAMS** (Mighty Mites, Little Athletes, Big Athletes, and Future Stars). These programs use a curriculum based on the highly successful USTA and ITF 10 and Under program, utilizing appropriate court size and equipment while allowing players to develop through the stages at their own pace.

When children have completed the 10 and Under Program or are new to tennis, they move to the Courts Plus **DEVELOPMENT PROGRAM** and progress at their own pace through the Junior and Senior age levels, with the goal of moving into the **ACADEMY PROGRAM** and/or High School Tennis.

The **ACADEMY PROGRAM** is the pathway for the more serious player who has made a commitment to tennis, competing in tournaments and wants to play on Varsity tennis teams. The **ACADEMY PROGRAM** includes programming at both the junior and senior level.

For players who aspire to play at the top level of competition after the culmination of the Courts Plus Junior Development Program, we offer the **ELMHURST ELITE TENNIS PROGRAM (EETP)**.

2020 Vision

Focus on the Future

Your parks. Your community.
Your vision.

You've told us a lot so far, and we're listening:

- You'd like new places to play
- You want more community programming
- You want even better upkeep of parks and fields

We want to make it happen.

Visit vision2020.epd.org

New Indoor Sports Facility

Our community wants more indoor sports space, such as a walking track, turf fields, and a gymnasium with hardwood courts. Nearly a third of households don't use our programs or facilities because the amenities they're looking for aren't available. An indoor sports facility would allow us to serve more members of the community.

New Adult Center

Based on community feedback, we determined that we can best address your needs by building a new multi-dimensional adult center. Nearly 60 percent of you support a new facility, which would provide space for expanded adult programming and existing senior programming.

New Dog Park

Park District land on Old York Road offers optimal space for Elmhurst's first off-leash dog park, an amenity many of our neighboring communities already have. Based on your Vision 2020 input, we've formed a master plan with conceptual designs that include separate areas for small and large dogs, a walking path, shaded space and agility equipment.

Expand Wagner Community Center

You've told us that the Park District needs more programming space, better conditions and more convenient locations. Adding a gym, new preschool/early childhood classrooms, and more multi-purpose rooms to Wagner Community Center would allow for the expansion of programs.

Acquire More Open Space

Elmhurst falls below local, regional and national benchmarks for parks and open space. To narrow the gap, the Park District could add park space and spread it more evenly throughout the community. More than 60 percent of Elmhurst residents surveyed support acquiring land and developing parks in underserved areas throughout the community.

Improve Condition and Maintenance of Parks and Amenities

The Park District's parks overall were rated in "fair" condition on maintenance and upkeep, while less than half of park amenities earned a high rating on a recent evaluation. More frequent and improved maintenance to protect your vital assets.

Picnics in the Parks

Picnics in the Parks

Many parks in the Elmhurst Park District have areas designated for small group picnics that can accommodate up to eight people and are available on a first-come, first-served basis. These picnic areas typically feature one permanent picnic table on a concrete pad and a nearby grill. Larger picnic areas at Berens, Butterfield, Salt Creek, and Wilder parks can be reserved for exclusive use by obtaining a picnic permit. There is no charge for residents on weekdays and a \$65 charge (\$88 for sheltered areas) for weekend and holiday reservations; the non-resident fee is applicable everyday (\$110 area without shelter, \$140 shelter area). Group picnics with over 100 attendees require a special use permit. Download the application at www.epd.org/picnics-permits. Reservations are only available for large group picnics scheduled from mid-May until the end of October.

All information about picnic areas including fees, capacity, pictures, picnic permit applications and regulations can be found on our website at epd.org/picnics-permits or you can call (630) 993-8901 or visit us at Wagner Community Center.

Love Your Parks: Give the gift that lasts a lifetime!

The Elmhurst Park District's mission is to provide experiences for the lifetime enjoyment of people who live and play in Elmhurst. Much of what the District provides would not be possible with tax dollars alone. Private help and strong partnerships are essential if we are to continue to enhance our recreation and parks system. Love your parks...and give a gift that lasts a lifetime.

TREE MEMORIAL PROGRAM

The Tree Memorial Program is available to commemorate individuals, organizations and special events such as birthdays and anniversaries. Memorial trees, once planted and marked with a bronze plaque, are living dedications that enhance the community. A wide variety of trees are available through the program, with prices varying according to species. Bronze plaques are placed at the foot of each tree, and plaque prices vary depending on the size and length of your inscription.

COMMEMORATIVE BRICKS PROGRAM

The Elmhurst Park District invites you to honor a loved one or commemorate a special occasion with a permanent engraved brick paver. With seven unique locations to choose from, including the Diana Nicholas Memorial Garden at Wilder Mansion, The Hub at Berens Park, and the Wilder Woodland Walkway, you're sure to find the perfect spot for your message.

PARK BENCH MEMORIAL PROGRAM

Create a dedicated space to commemorate a special person in your life or celebrate a special event with a Park Bench Memorial. Once installed, park benches are marked with a 2" x 4" bronze plaque and can be personalized with up to three lines of type. The commemorative park bench serves as a beautiful lasting remembrance that will benefit the community for many years.

LAMP POST MEMORIAL PROGRAM

Framing the Prairie Path, Elmhurst's lampposts light the way for the hundreds of bikers, walkers, runners and nature enthusiasts that traverse its length each day. With a donation to the People for Elmhurst Parks Foundation (PEP), a bronze plaque will be installed on an available lamppost to preserve the legacy of your loved one or commemorate a special occasion.

CASH DONATIONS

Cash donations are a direct way to show your love for the parks. Donations can be unrestricted or restricted to a particular park, building, or program area.

LAND TRUSTS

The development and protection of green space is a key objective of the District. Land trusts are a wonderful way to ensure more green space for future generations.

WILLS & LIVING TRUSTS

The Elmhurst Park District benefits from your planned future support of our parks and facilities. Much of the valued green space in the community today is the result of generous Elmhurst residents.

For information about our Tree Memorial, Lamppost Memorials and Park Bench programs, e-mail jcogswell@epd.org or call (630) 993-8939. People for Elmhurst Parks Foundation

Founded in 1985, the People for Elmhurst Parks Foundation (PEP) is an independent group of concerned individuals that works in partnership with the Park District to raise funds for many park and recreation projects that benefit the community. Since its inception, PEP has raised over \$350,000 to help fund projects such as Safety Town, the Spring Road Gazebo at the Prairie Path, the Mobile Band Shell, Prairie Path lampposts, York Commons Skate Park and the Wilder Mansion Historic Preservation & Beautification Endowment Fund.

WANT TO START MAKING A DIFFERENCE?

Interested in becoming a PEP Board member or volunteer? For more information on the PEP Board or volunteering with PEP, please call (630) 993-8924 or e-mail pep@epd.org and receive a PEP membership & volunteer application.

DONATION OPPORTUNITIES

We ask that you consider assisting with one or more of the following programs or projects that benefit the entire community. Following is a list of current projects to which you can contribute. PEP is a 501 (c) (3) charitable organization and all contributions are 100% tax deductible.

Recreation Assistance Program

PEP created the Recreation Assistance Fund which provides assistance to financially disadvantaged families so that they and their children can participate in recreational programs. You can donate to this fund right on your program application. In 2011 alone, the Recreation Assistance program provided \$38,951 to 94 deserving families.

Wilder Mansion Historic Preservation & Beautification Endowment Fund

Created in order to provide funds to be used toward the continued preservation of Wilder Mansion. Framed dedication pieces, recognition plaques and room recognition are all donation opportunities available at Wilder Mansion.
