# DEAR ELMHURST RESIDENTS,

The District's parks, trails and playgrounds are places we can appreciate year-round, and I believe winter offers some beautiful and memorable opportunities to enjoy them. Who can forget sledding after the first snow or taking a quiet walk on a bright winter's day?

However, after the chill of winter, it's also exciting to look forward to the greenery and warmth of spring! The arrival of this spring brochure is perhaps a signal to you and your family that winter is reaching its end. Soon we'll be swapping our winter coats and hats for light jackets and baseball caps.

Our annual spring events are a great way to get out and enjoy spring in the parks. The whole family can look forward to the annual Egg Hunt and Doggie EGGstravaganza, which will take place in Wilder Park on March 31. Another spring event, the 22nd annual Art in Wilder Park, will take place May 4-5, when the park should be a beautiful place for a scenic stroll.

Spring, of course, quickly fades to summer and we know that summer plans are already on your mind. That's why we've included many of our summer programs in this brochure. Get ahead of the game now by signing up for camps and aquatic programs. Look for the Summer Camp logo throughout this brochure to register. Also be sure to check out our pool memberships, which are discounted now through May 25.

In the meantime, the Park Board will continue to work toward our mission of enriching lives while having fun! To make your access to this work more streamlined, Park Board meeting agendas, minutes and related material are now available electronically through Board Docs.

The easy-to-use service allows immediate publishing of Board meeting documents and policies, giving community users quick access to the most up-to-date information. You can access Board Docs on the Board of Park Commissioners page at www.epd.org.

I hope you find a new program or event in this brochure that gets you excited for spring! On behalf of my fellow commissioners, it is our privilege to serve you in every season.

# Once Ages 62 and up

# Wednesday, May 2, Noon-5 pm

He was a singer about to give up his dream. She was a patron entranced by his music. It was a fateful meeting spurred by their shared love for music. Guy and Girl, as they're known throughout the show, begin their relationship when he tells her of his day job as a vacuum cleaner repairman at his father's shop. When she asks him to fix her vacuum, she says she can only pay for the repair with a song. That song is all it takes for Guy and Girl to fall in love, but with that love also comes some baggage. Guy has an ex he can't get out of his head, and Girl has an estranged husband and a daughter. What's holding them back couldn't be heavier, but when it comes to love, the only thing that can stop them is life. Once is based on the Oscar-winning movie and is an eight-time Tony Award-winning musical, including Best Musical, Best Actor and Best Book. Fee includes transportation and ticket to the show at Paramount Theatre. Registration deadline is April 10.

We have small groups, low camper to staff ratios, and great indoor and outdoor spaces for our many well-planned activities and special events. We take three to four field trips per week (more than most other camps) to local pools, water parks, and entertainment venues - and the cost of trips and bus transportation is always included in your fees. Just like our school year program called Rec Station, Funseekers Day Camp is safe, convenient, and affordable. After camp care is also available at both locations.

All campers should bring a sack lunch and drink each day, as well as swimsuit, towel, and sunscreen on pool and water park days. Please check our Funseekers Camp web page for information and for a calendar of events. There is no camp on July 4. Campers must arrive between 7:30 and 9 a.m.

The deadline for camp registration, withdrawals and changes is 9 a.m. on Monday the week before each session begins.

The Elmhurst Park District "Park District" is committed to providing safe aquatic facilities and programs and holds safety of participants in high regard. The Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/ guardians of minors engaged in aquatic activities must recognize that there is an inherent risk of injury.

You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for the activities associated with this Pool Pass. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical/aquatic activity.

### Warning of Risk

Swimming and other aquatic activities challenge and engage the physical, mental and emotional resources of each participant. However, despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury, including but not limited to drowning, head/brain injury, and cervical spine injury. Understandably, not all hazards and dangers can be foreseen. The very nature of swimming and aquatic activities are hazardous and risky, including but not limited to fatigue and overexertion, poor swimming skills, failing to avoid dangerous areas, failure of lifeguards to locate victims and/or delay in emergency response time, horseplay, diving or cannon-balling into shallow water and striking the bottom or side of the pool or waterslide, poor supervision or instruction, lack of conditioning, becoming disoriented, striking other swimmers, defective or inadequate equipment, striking one's head on the bottom when using a diving block, slipping or falling on the deck or within the locker facility, chemical exposure and all other circumstances inherent to aquatic activities and aquatic facilities. In this regard, it must be recognized that it is impossible for the Park District to guarantee absolute safety.

### **Photography**

Photos and videos are periodically taken of people participating in Park District programs and activities. All persons registering for Park District programs/ activities, or using Park District property thereby agrees that any photograph or video taken by the District may be used for promotional purposes including social media, publications and online without notice or permission and without participant compensation.

Eavly Childhood

### **StarBabies & Star Tots**

The purpose of these courses is to develop in very young children a high comfort level in the water while training adults who accompany them in water safety and drowning prevention. This course does not teach children to become accomplished swimmers or to survive in the water; it does provide a confidence-building, fun and warm experience. One adult must be in the water with each child. Swim Diapers required. No class July 4.

### **Rescuer of Once Loved Things:** The Art of Donna Castellanos March 17 - May 13, 2018

Donna Castellanos collects and transforms everyday objects, which she calls "once loved things", into a bold hands-on exhibit. Visitors experience the museum galleries as if they were a home; each room includes worn and well-loved items that share a commonality, from repurposed encyclopedias to antique musical instruments. Both nostalgia and inclusion are strong motifs throughout the exhibition, as visitors are invited to add their own contributions.

programming at Courts Plus. Players of all ages develop through the various stages of learning by following our Junior Development Pathway. The

Pathway begins with our 10 AND UNDER PROGRAMS (Mighty Mites, Little Athletes, Big Athletes, and Future Stars). These programs use a curriculum based on the highly successful USTA and ITF 10 and Under program, utilizing appropriate court size and equipment while allowing players to develop through the stages at their own pace.

When children have completed the 10 and Under Program or are new to tennis, they move to the Courts Plus DEVELOPMENT PROGRAM and progress at their own pace through the Junior and Senior age levels, with the goal of moving into the ACADEMY PROGRAM and/or High School Tennis.

The ACADEMY PROGRAM is the pathway for the more serious player who has made a commitment to tennis, competing in tournaments and wants to play on Varsity tennis teams. The ACADEMY **PROGRAM** includes programming at both the junior and senior level.

For players who aspire to play at the top level of competition after the culmination of the Courts Plus Junior Development Program, we offer the ELMHURST ELITE TENNIS PROGRAM (EETP).

PICNICS IN THE PARKS

Many parks in the Elmhurst Park District have areas designated for small group picnics that can accommodate up to eight people and are available on a first-come, first-served basis. These picnic areas typically feature one permanent picnic table on a concrete pad and a nearby grill. Larger picnic areas at Berens, Butterfield, Salt Creek, and Wilder parks can be reserved for exclusive use by obtaining a picnic permit. There is no charge for residents on weekdays and a \$60 charge (\$83 for sheltered areas) for weekend and holiday reservations; the non-resident fee is applicable everyday (\$105 area without shelter, \$135 shelter area.) Group picnics with over 100 attendees require a special use permit. Download the application at www.epd.org/picnics-permits. Reservations are only available for large group picnics scheduled from mid-May until the end of October.

All information about picnic areas including fees, capacity, pictures, picnic permit applications and regulations can be found on our website at epd.org/picnics-permits or you can call (630) 993-8901 or visit us at Wagner Community Center.

## Memorials & Gifts Love Your Parks: Give a gift that lasts a lifetime!

The Elmhurst Park District's mission is to provide experiences for the lifetime enjoyment of people who live and play in Elmhurst. Much of what the District provides would not be possible with tax dollars alone. Private help and strong partnerships are essential if we are to continue to enhance our recreation and parks system. Love your parks...and give a gift that lasts a lifetime.

#### TREE MEMORIAL PROGRAM

The Tree Memorial Program is available to commemorate individuals, organizations and special events such as birthdays and anniversaries. Memorial trees, once planted and marked with a bronze plaque, are living dedications that enhance the community. A wide variety of trees are available through the program, with prices varying according to species. Bronze plaques are placed at the foot of each tree, and plaque prices vary depending on the size and length of your inscription.

#### **COMMEMORATIVE BRICKS PROGRAM**

The Elmhurst Park District invites you to honor a loved one or commemorate a special occasion with a permanent engraved brick paver. With seven unique locations to choose from, including the Diana Nicholas Memorial Garden at Wilder Mansion, The Hub at Berens Park, and the Wilder Woodland Walkway, you're sure to find the perfect spot for your message.

#### PARK BENCH MEMORIAL PROGRAM

Create a dedicated space to commemorate a special person in your life or celebrate a special event with a Park Bench Memorial. Once installed, park benches are marked with a  $2^{n} \times 4^{n}$  bronze plaque and can be personalized with up to three lines of type. The commemorative park bench serves as a beautiful lasting remembrance that will benefit the community for many years.

#### LAMPPOST MEMORIAL PROGRAM

Framing the Prairie Path, Elmhurst's lampposts light the way for the hundreds of bikers, walkers, runners and nature enthusiasts that traverse its length each day. With a donation to the People for Elmhurst Parks Foundation (PEP), a bronze plaque will be installed on an available lamppost to preserve the legacy of your loved one or commemorate a special occasion.

#### **CASH DONATIONS**

Cash donations are a direct way to show your love for the parks. Donations can be unrestricted or restricted to a particular park, building, or program area.

#### LAND TRUSTS

The development and protection of green space is a key objective of the District. Land trusts are a wonderful way to ensure more green space for future generations.

#### WILLS & LIVING TRUSTS

The Elmhurst Park District benefits from your planned future support of our parks and facilities. Much of the valued green space in the community today is the result of generous Elmhurst residents.

For information about our Tree Memorial, Lamppost Memorials and Park Bench programs, e-mail mlovato@ epd.org or call (630) 993-8939. Founded in 1985, the People for Elmhurst Parks Foundation (PEP) is an independent group of concerned individuals that works in partnership with the Park District to raise funds for many park and recreation projects that benefit the community. Since its inception, PEP has raised over \$350,000 to help fund projects such as Safety Town, the Spring Road Gazebo at the Prairie Path, the Mobile Band Shell, Prairie Path lampposts, York Commons Skate Park and the Wilder Mansion Historic Preservation & Beautification Endowment Fund.

#### Want to Start Making a Difference?

Interested in becoming a PEP Board member or volunteer? For more information on the PEP Board or volunteering with PEP, please call (630) 993-8924 or e-mail pep@epd.org and receive a PEP membership & volunteer application.

#### **Donation Opportunities**

We ask that you consider assisting with one or more of the following programs or projects that benefit the entire community. Following is a list of current projects to which you can contribute. PEP is a 501 (c) (3) charitable organization and all contributions are 100% tax deductible.

#### **Recreation Assistance Program**

PEP created the Recreation Assistance Fund which provides assistance to financially disadvantaged families so that they and their children can participate in recreational programs. You can donate to this fund right on your program application. In 2011 alone, the Recreation Assistance program provided \$38,951 to 94 deserving families.

#### Wilder Mansion Historic Preservation & Beautification Endowment Fund

Created in order to provide funds to be used toward the continued preservation of Wilder Mansion. Framed dedication pieces, recognition plaques and room recognition are all donation opportunities available at Wilder Mansion.

#### **PAST PEP PROJECTS**

What do we love the most about this community? The people we share it with! That's why we support the families here, the local businesses and the charitable organizations, too. Beyond providing banking solutions, we also take pride in giving back to the people who work to make this area so great. Why? Because this isn't just home to us; it's home to all of us. And, as a true community bank, we know that when we all do our part, we can help make Elmhurst better for everyone.
