Innovative leadership starts with our community-elected, seven-member Board of Commissioners. Members are elected to a six-year term and serve without compensation. Board meetings are held on the second and fourth Mondays of each month, unless otherwise noted. The public is always welcomed to attend the open meetings and is encouraged to participate during the public comment portion of the meeting. Meetings are held in the Administrative Office boardroom, 375 W. First St., at 7 p.m. unless otherwise noted.

WELCOME!

Dear Elmhurst Residents,

The Spring Brochure gives us all an opportunity to look with anticipation to the end of winter and the start of warm days, flowers blooming and outdoor pursuits taking center stage once again!

Some of our most popular events take place in spring and offer a chance to explore Elmhurst's parks when they are just waking up. Come out on April 20 for the annual Egg Hunt and Doggie EGGstravaganza at Wilder Park. It's one of our fastest events, but also one of our most memorable, with kids and pets each having time to join in on the fun!

Many of you are likely starting to make plans for the summer too and that's why we've included many of our summer programs in this brochure! From camps to aquatics, you'll find plenty of ways to keep the kids having a fun and active summer break. Look for the Summer Camp logo throughout this brochure to register.

Pool Memberships also go on sale soon and will be discounted through May 24. Members gain access to three Park District aquatic facilities, East End Pool, Smalley Pool and the Spray Ground at The Hub, so you and your family have several options for poolside fun. Check our Aquatics section for full details.

While you make plans for the upcoming seasons, the Park Board continues to plan for the future of the Park District with the Elmhurst community in mind. Elmhurst Park District completed Vision 2020, its comprehensive and strategic plan, in the spring of 2017. It was a wonderful opportunity to engage Elmhurst residents about their needs and interests. You told us a great deal, and we're still interested in learning what you think.

Our recently launched website, vision2020.epd.org, is where you can go to continue providing us feedback on the District's future. You can also use the site to learn about Vision 2020 projects and updates.

I invite you to join the conversation. Your feedback is vital in shaping the Park District's future.

Vince Spaeth, Board President

Since 1923 the Wilder Park Conservatory has served as a visual and verifiable link to our past, taking on an iconic and symbolic place in the history of Elmhurst and the hearts and minds of its residents. The newly-restored Conservatory logs approximately 13,000 visits annually and is a memorable place for the marking of life events such as weddings, proms, graduations, and holidays. Prohibition: A History

From 1920 to 1933 a constitutional amendment prohibited the public sale or consumption of alcohol. During those fourteen years, the country struggled to manage the largest social engineering experiment ever attempted. From good intentions came many unintended negative consequences. Prohibition limited government income while supporting a system that promoted the rise of organized crime. Join Professor Gary Midkiff for an examination of the intense lobbying effort launched by the Anti Saloon League, the gallant effort of the Untouchables, the political careers affected by support for the "Wets" or the "Drys," and learn the origin of the phrase, "There is no such thing as a free lunch."

August Rush

Wednesday, May 1, Noon-5:30pm

Evan Taylor, an 11 year old orphan, believes in music like some believe in fairytales. In a cruel twist of fate, Evan's mother, an accomplished classical cellist, and his father, the lead singer of a rock band, don't even know he exists in this world. Even after so many years gone, Evan has not given up hope as he relentlessly searches for the parents he knows need him. Quickly discovering he too is a musical prodigy, Evan surrenders himself to the symphony of sounds and follows the music. In this inspiring love story, music is everywhere, but will it lead Evan home? Travel with us to Paramount Theater in Aurora and be the first to see the world premiere of August Rush. Internationally acclaimed director John Doyle, who earned a Tony Award for Sweeney Todd and also staged the Broadway revival of The Color Purple starring Jennifer Hudson, will direct this new live stage adaption of the critically acclaimed Warner Brothers film. Funseekers Day Camp

Ages 5-13

Funseekers Day Camp (for ages 5-13) is THE go-to camp for an exciting summer of fun! Choose between our original north side location at the Wagner Community Center and our beautiful south side location at the Eldridge Park Recreation Building. Let our experienced, enthusiastic, and highly-trained staff lead your child through a safe and engaging summer. We have small groups, low camper to staff ratios, and great indoor and outdoor spaces for our many well-planned activities and special events. We take three to four field trips per week (more than most other camps) to local pools, water parks, and entertainment venues - and the cost of trips and bus transportation is always included in your fees. Just like our school year program called Rec Station, Funseekers Day Camp is safe, convenient, and affordable. After camp care is also available at both locations. All campers should bring a sack lunch and drink each day, as well as a swimsuit, towel, and sunscreen on pool and water park days. Please check our Funseekers Camp web page for more information and for a calendar of events. There is no camp on July 4. Campers must arrive between 7:30 and 9 a.m.

Welcome to the Elmhurst Park District Swim School!

The Elmhurst Park District offers a variety of swim lessons for ages 6 months to adult. We also offer private swim lessons for ages 3 and older. Early childhood and youth lessons follow the Starfish Swim/Stroke School program, a nationally recognized swim instruction curriculum developed by the Starfish Aquatics Institute. The Starfish Swimming curriculum combines both swimming and water safety skill development to help participants advance their swimming skills.

Which Swim Class is Right for my Child?

Benchmarks are established at each stage of the program to teach swimming and safety skills. Register your child for the program that corresponds with their age.

Starbabies™ – 6-23 months with adult

Startots™ – 24-36 months with adult

Starfish Swim School® for Preschoolers – 3-5 years

Starfish Swim School® for Youth – 6-12 years

Stroke School® – For students ages 6-12 who have achieved the Green Swim School stage (can tread water for at least 30 seconds & swim freestyle with good form and side breathing for at least 30 feet)

Advanced Stroke School – For students ages 6-12 who are able to swim at least 25 yards (1 length of the pool) with good form freestyle, backstroke, breaststroke and butterfly.

All participants will be tested on the first day to determine which stage they should begin in. Stages within Swim/Stroke School are based on skill level, not age. Participants will advance to the next stage once they complete the benchmark skills; they may advance through more than one stage in one session.

For more information on swim lessons please call (630) 993-4724 or email swimlessons@epd.org. Rainout hotline: (630) 333-9594.

Swim Lesson Information

Instructors will meet their students in the concession area every day of class and walk to their designated area of the pool. Parents/guardians are asked to remain in the concession area to ensure your child is focused and engaged in class. Parents/guardians are invited on the pool deck for Showoff Day on the second Wednesday of each session to observe what your child has learned!

Cancellation and Make-up Lesson Policies

Lessons are only cancelled due to severe weather, or if the air temperature drops below 65 degrees. If the weather is questionable, please visit the rainout hotline no sooner than 1 hour before the scheduled start time to determine the status of lessons. Make-up lessons will be held on Fridays as needed, and will only be held if the park district cancels the lesson. No make-ups will be issued for sickness or vacations. If more than two lessons are cancelled in a session, a credit will be applied to your Elmhurst Park District account.

The Elmhurst Park District "Park District" is committed to providing safe aquatic facilities and programs and holds safety of participants in high regard. The Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors engaged in aquatic activities must recognize that there is an inherent risk of injury.

You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for the activities associated with this Pool Pass. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical/aquatic activity.

Warning of Risk

Swimming and other aquatic activities challenge and engage the physical, mental and emotional resources of each participant. However, despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury, including but not limited to drowning, head/brain injury, and cervical spine injury. Understandably, not all hazards and dangers can be foreseen. The very nature of swimming and aquatic activities are hazardous and risky, including but not limited to fatigue and overexertion, poor swimming skills, failing to avoid dangerous areas, failure of lifeguards to locate victims and/or delay in emergency response time, horseplay, diving or cannon-balling into shallow water and striking the bottom or side of the pool or water slide, poor supervision or instruction, lack of conditioning, becoming disoriented, striking other swimmers, defective or inadequate equipment, striking one's head on the bottom when using a diving block, slipping or falling on the deck or within the locker facility, chemical exposure and all other circumstances inherent to aquatic activities and aquatic facilities. In this regard, it must be recognized that it is impossible for the Park District to guarantee absolute safety.

Photos and videos are periodically taken of people participating in Park District programs and activities. All persons registering for Park District programs/activities, or using Park District property thereby agrees that any photograph or video taken by the District may be used for promotional purposes including social media, publications and online without notice or permission and without participant compensation.

EXHIBITIONS

Preparatory collage by Assaf Evron for the McCormick House

Assaf Evron & Claudia Weber

February 16 - April 14, 2019

In the Spring of 2019, Mies van der Rohe's McCormick House will be the site of a two-person show of Chicago-based artists Assaf Evron and Claudia Weber. The Israeli-born Evron will create an installation inspired by Mies's handmade collages to connect features of architecture with ideas about immigration, including his own personal experiences. The German-born Weber will actually reside in the other half of the McCormick House. As she lives, works, and exhibits in the space, Weber's projects will reflect on the structure's history as a prototype home and current function as a museum space.

The Whole World a Bauhaus

Curated by Boris Friedewald

February 16 - April 21, 2019

This internationally traveling exhibition celebrates the 100th anniversary of the founding of the Bauhaus, a legendary German school that revolutionized the parameters of art, the crafts, and technology. While it existed for only 14 short years (1919-1933), its influence shaped modern thinking and artistic approaches to industrialization. This exhibition shows photographs, works on paper, documents, films, texts, and objects that present the emergence and development of the Bauhaus, all of which later served as a source for understanding the history and appeal of modernism.

These exhibitions are part of the Year of German-American Friendship initiated by the German Federal Foreign Office and the Goethe-Institut, and supported by the Federation of German Industries (BDI).

District 205 Student Art Exhibition

Admission is free this weekend, so come enjoy the exhibition and visit the museum's booth at Art in Wilder Park.

Additional support provided by grants from the Explore Elmhurst Grant Program, the City of Elmhurst Community Grant Program, the Illinois Arts Council, the National Endowment for the Arts, McDonald's Corporation, the JCS Fund of the DuPage Foundation, Landmarks Illinois' Preservation Heritage Fund, Gaylord and Dorothy Donnelley Foundation, and our many donors and friends.

JUNIOR DEVELOPMENT PATHWAY PROGRAM 🔍

Our junior program is the cornerstone of all tennis programming at Courts Plus. Players of all ages develop through the various stages of learning by following our Junior Development Pathway. The Pathway begins with our 10 AND UNDER PROGRAMS (Mighty Mites, Little Athletes, Big Athletes, and Future Stars). These programs use a curriculum based on the highly successful USTA and ITF 10 and Under program, utilizing appropriate court size and equipment while allowing players to develop through the stages at their own pace.

When children have completed the 10 and Under Program or are new to tennis, they move to the Courts Plus DEVELOPMENT PROGRAM and progress at their own pace through the Junior and Senior age levels, with the goal of moving into the ACADEMY PROGRAM and/or High School Tennis.

The ACADEMY PROGRAM is the pathway for the more serious player who has made a commitment to tennis, competing in tournaments and wants to play on Varsity tennis teams. The ACADEMY PROGRAM includes programming at both the junior and senior level.

For players who aspire to play at the top level of competition after the culmination of the Courts Plus Junior Development Program, we offer the ELMHURST ELITE TENNIS PROGRAM (EETP).

*Love Your Parks:
Give the gift that lasts a lifetime!*

The Elmhurst Park District's mission is to provide experiences for the lifetime enjoyment of people who live and play in Elmhurst. Much of what the District provides would not be possible with tax dollars alone. Private help and strong partnerships are essential if we are to continue to enhance our recreation and parks system. Love your parks...and give a gift that lasts a lifetime.

TREE MEMORIAL PROGRAM

The Tree Memorial Program is available to commemorate individuals, organizations and special events such as birthdays and anniversaries. Memorial trees, once planted and marked with a bronze plaque, are living dedications that enhance the community. A wide variety of trees are available through the program, with prices varying according to species. Bronze plaques are placed at the foot of each tree, and plaque prices vary depending on the size and length of your inscription.

COMMEMORATIVE BRICKS PROGRAM

The Elmhurst Park District invites you to honor a loved one or commemorate a special occasion with a permanent engraved brick paver. With seven unique locations to choose from, including the Diana Nicholas Memorial Garden at Wilder Mansion, The Hub at Berens Park, and the Wilder Woodland Walkway, you're sure to find the perfect spot for your message.

PARK BENCH MEMORIAL PROGRAM

Create a dedicated space to commemorate a special person in your life or celebrate a special event with a Park Bench Memorial. Once installed, park benches are marked with a 2" x 4" bronze plaque and can be personalized with up to three lines of type. The commemorative park bench serves as a beautiful lasting remembrance that will benefit the community for many years.

LAMP POST MEMORIAL PROGRAM

Framing the Prairie Path, Elmhurst's lampposts light the way for the hundreds of bikers, walkers, runners and nature enthusiasts that traverse its length each day. With a donation to the People for Elmhurst Parks Foundation (PEP), a bronze plaque will be installed on an available lamppost to preserve the legacy of your loved one or commemorate a special occasion.

CASH DONATIONS

Cash donations are a direct way to show your love for the parks. Donations can be unrestricted or restricted to a particular park, building, or program area.

LAND TRUSTS

The development and protection of green space is a key objective of the District. Land trusts are a wonderful way to ensure more green space for future generations.

WILLS & LIVING TRUSTS

The Elmhurst Park District benefits from your planned future support of our parks and facilities. Much of the valued green space in the community today is the result of generous Elmhurst residents.

People for Elmhurst Parks Foundation

Founded in 1985, the People for Elmhurst Parks Foundation (PEP) is an independent group of concerned individuals that works in partnership with the Park District to raise funds for many park and recreation projects that benefit the community. Since its inception, PEP has raised over \$350,000 to help fund projects such as Safety Town, the Spring Road Gazebo at the Prairie Path, the Mobile Band Shell, Prairie Path lampposts, York Commons Skate Park and the Wilder Mansion Historic Preservation & Beautification Endowment Fund.

WE'RE PROUD TO SUPPORT THE
ELMHURST
PARK DISTRICT

What do we love the most about this community? The people we share it with! That's why we support the families here, the local businesses and the charitable organizations, too. Instead of just providing banking solutions, we also take pride in giving back to the people who work to make this area so great. Why? Because this isn't just home to us; it's home to all of us. And, as a true community bank, we know that when we all do our part, we can help make Elmhurst better for everyone.
