Focus on the Future

DEAR ELMHURST RESIDENTS,

It's a popular opinion that summer is the best time to be out in the parks, and it's hard to disagree. Sunny days spent with your kids at the playground or taking your bike down a trail are memories worth making. In this brochure, we hope you find plenty of opportunities to have fun.

We're kicking off the summer at our annual salute to the outdoors, Eldridge Adventure Day, on Sunday, June 10. Explore the natural beauty of Eldridge Park while on a bug hunt, discover something wild by visiting with some exotic animals, or participate in the Cops & Bobbers Fishing Derby courtesy of the Elmhurst Police Department.

Community favorite, Movies in the Park, kicks off with Sing on Friday, June 15. It's a great chance to relax in Wilder Park, chase some fireflies and catch up with your neighbors.

As your family plans ahead to summer, be sure to get your pool passes early to take advantage of discounted rates now through May 25. One pass gets you three places for fun, including East End Pool, Smalley Pool & The Hub splash pad, and a resident season pass is just \$45 per person! You can renew online or at Wagner Community Center.

This summer, you'll also notice a number of park improvements as outlined in the Vision 2020 Comprehensive Plan. Conrad Fischer Park will undergo a redevelopment beginning in early June. The project will include the installation of new playground equipment for ages 2-5, new safety surfacing and redeveloped tennis courts which will also feature futsal and half basketball courts. The redevelopment is expected to be completed in August.

The synthetic turf fields at Berens Park will also be updated this summer. Originally installed in 2008, the two fields are popular sites for soccer, football and lacrosse, and maintaining this outdoor amenity is a priority for the Park District. Work is scheduled to begin May 21, with a completion date slated for early August. Be sure to visit the website, www.epd.org, and follow our Facebook page for updates on ongoing projects.

As you head to our parks and community events this summer, remember that all Elmhurst parks are now tobaccofree. This ban, instituted in November 2017, helps ensure that children and park visitors have a safer and cleaner place to play. Tobacco-free parks provide better respiratory health for all visitors and, by eliminating tobacco products, we can reduce park litter by up to 36%.

Summer goes fast; be sure to take time to slow down this season and enjoy all that it offers! On behalf of my fellow commissioners, it is our privilege to serve you in every season.

Funseekers Day Camp

Ages 5-13 Funseekers Day Camp (for ages 5-13) is THE go-to camp for an exciting summer of fun! Choose between our north side location at the Wagner Community Center and our beautiful south side location at the Eldridge Recreation Building.

Let our experienced, enthusiastic, and highly-trained staff lead your child through a safe and engaging summer. We have small groups, low camper to staff ratios, and great indoor and outdoor spaces for our many well-planned activities and special events. We take three to four field trips per week (more than most other camps) to local pools, water parks, and entertainment venues - and the cost of trips and bus transportation is always included in your fees. Just like our school year program called Rec Station, Funseekers Day Camp is safe, convenient, and affordable. After camp care is also available at both locations.

All campers should bring a sack lunch and drink each day, as well as a swimsuit, towel, and sunscreen on pool and water park days. Please check our Funseekers Camp web page for more information and for a calendar of events. There is no camp on July 4. Campers must arrive between 7:30 and 9 a.m.

The deadline for camp registration, withdrawals and changes is 9 a.m. on Monday the week before each session begins.

welcome!

Elmhurst Park District is pleased to welcome you to another swim season at East End Pool and Norman P. Smalley Pool at York Commons.

The Park District's lifeguard staff will begin another season trained under international recognized curriculum, StarGuard Elite. The lifeguard staff must complete an extensive training program that includes lifeguard rescue skills, emergency procedures, and first aid/CPR. The lifeguards must also attend weekly in-service training sessions and participate in unannounced testing. Throughout the season, auditors from StarGuard Elite will conduct three unannounced audits to evaluate staff performance.

The Elmhurst Park District's lifeguard staff has been awarded the prestigious Elite 5–Star overall rating for the 2017 Summer season. This award represents an extraordinary level of commitment to safety and dedication to the areas of aquatics.

Eavly Childhood

StarBabies & Star Tots

The purpose of this course is to develop in very young children a high comfort level in the water while at the same time training the adults who accompany them in water safety and drowning prevention. This course does not teach children to become accomplished swimmers or to survive in the water; it does provide a confidence-building, fun and warm experience. One adult must be in the water with each child. Swim Diapers required. No class July 4.

EXHIBITIONS

Mies's McCormick House Revealed: New Views

June 10 - August 26, 2018

The Museum will host an in-depth three-part exhibition focusing on the McCormick House when the carport and façade are revealed for the first time in over twenty years. The show provides an introduction, background, context, and visibility to the McCormick House (1952), one of only three single-family homes built by Mies van der Rohe in the U.S. The home is a rare and important example of the architect's mature style, incorporating elements of his celebrated designs for the Farnsworth House and 860-880 Lake Shore Drive.

New Views includes original drawings by Mies van der Rohe, models of other international glass houses, photographs by contemporary artists, and much

more. Models showcase Mies's 'dream home of tomorrow' as well as the prefab neighborhoods that were proposed for the western Chicagoland suburbs. Historical photographs and advertisements for the houses join loans from the Mies van der Rohe archive at the Museum of Modern Art, including three drawings of the McCormick House that have never been exhibited. The exhibition will educate and inspire new generations about the unique and important modern home built in Elmhurst.

This exhibition is supported in part by an award from the National Endowment for the Arts and generously sponsored by the Explore Elmhurst Grant Program. [Image: Carport (McCormick House), Courtesy of Hedrich Blessing Archive, Chicago Historical Society]

Iñigo Manglano-Ovalle: Seeing Red June 10 - August 26, 2018

In tandem with the revelation of the building's full exterior for the first time in over 20 years, internationally acclaimed artist Iñigo Manglano-Ovalle will create *Seeing Red*, a stunning architectural intervention within the McCormick House that builds on an idea of the original developers Robert Hall McCormick and Herbert S. Greenwald, who offered to make glass windows of the proposed prefab housing "almost any shade of the rainbow."

Our gymnastics classes incorporate aspects of physical fitness, motor development, hand-eye coordination, strength and flexibility. In the beginning, the focus is teaching spatial awareness, socialization and gymnastics skills. As the gymnast grows, the focus moves to skill development in a fun yet safe atmosphere. In our attempt to maintain a safe environment for both children and coaches, we must insist that parents remain outside of the gym during class time.

Participants are to dress appropriately for gymnastics. Girls: leotard (without skirt) and form fitting shorts, hair MUST be tied back, no jewelry. Boys: t-shirt and shorts or sweatpants. No socks – barefoot is best!

Junior Development Pathway Program

Our junior program is the cornerstone of all tennis programming at Courts Plus. Players of all ages develop through the various stages of learning by following our Junior Development Pathway. The

Pathway begins with our **10 AND UNDER PROGRAMS** (Mighty Mites, Little Athletes, Big Athletes, and Future Stars). These programs use a curriculum based on the highly successful USTA and ITF 10 and Under program, utilizing appropriate court size and equipment while allowing players to develop through the stages at their own pace.

TENNIS PROGRAM (EETP)

When children have completed the 10 and Under Program or are new to tennis, they move to the Courts Plus **DEVELOPMENT PROGRAM** and progress at their own pace through the Junior and Senior age levels, with the goal of moving into the **ACADEMY PROGRAM** and/or High School Tennis.

The ACADEMY PROGRAM is the pathway for the more serious player who has made a commitment to tennis, competing in tournaments and wants to play on Varsity tennis teams. The ACADEMY PROGRAM includes programming at both the junior and senior level.

For players who aspire to play at the top level of competition after the culmination of the Courts Plus Junior Development Program, we offer the **ELMHURST ELITE TENNIS PROGRAM (EETP)**.

PICNICS IN THE PARKS

Many parks in the Elmhurst Park District have areas designated for small group picnics that can accommodate up to eight people and are available on a first-come, first-served basis. These picnic areas typically feature one permanent picnic table on a concrete pad and a nearby grill. Larger picnic areas at Berens, Butterfield, Salt Creek, and Wilder parks can be reserved for exclusive use by obtaining a picnic permit. There is no charge for residents on weekdays and a \$60 charge (\$83 for sheltered areas) for weekend and holiday reservations; the non-resident fee is applicable everyday (\$105 area without shelter, \$135 shelter area.) Group picnics with over 100 attendees require a special use permit. Download the application at www.epd.org/picnics-permits. Reservations are only available for large group picnics scheduled from mid-May until the end of October.

All information about picnic areas including fees, capacity, pictures, picnic permit applications and regulations can be found on our website at epd.org/picnics-permits or you can call (630) 993-8901 or visit us at Wagner Community Center.

Memorials & Gifts

Memorials & Gifts Love Your Parks: Give a gift that lasts a lifetime!

The Elmhurst Park District's mission is to provide experiences for the lifetime enjoyment of people who live and play in Elmhurst. Much of what the District provides would not be possible with tax dollars alone. Private help and strong partnerships are essential if we are to continue to enhance our recreation and parks system. Love your parks...and give a gift that lasts a lifetime.

TREE MEMORIAL PROGRAM

The Tree Memorial Program is available to commemorate individuals, organizations and special events such as birthdays and anniversaries. Memorial trees, once planted and marked with a bronze plaque, are living dedications that enhance the community. A wide variety of trees are available through the program, with prices varying according to species. Bronze plaques are placed at the foot of each tree, and plaque prices vary depending on the size and length of your inscription.

COMMEMORATIVE BRICKS PROGRAM

The Elmhurst Park District invites you to honor a loved one or commemorate a special occasion with a permanent engraved brick paver. With seven unique locations to choose from, including the Diana Nicholas Memorial Garden at Wilder Mansion, The Hub at Berens Park, and the Wilder Woodland Walkway, you're sure to find the perfect spot for your message.

PARK BENCH MEMORIAL PROGRAM

Create a dedicated space to commemorate a special person in your life or celebrate a special event with a Park Bench Memorial. Once installed, park benches are marked with a $2^{\prime\prime}x4^{\prime\prime}$ bronze plaque and can be personalized with up to three lines of type. The commemorative park bench serves as a beautiful lasting remembrance that will benefit the community for many years.

LAMPPOST MEMORIAL PROGRAM

Framing the Prairie Path, Elmhurst's lampposts light the way for the hundreds of bikers, walkers, runners and nature enthusiasts that traverse its length each day. With a donation to the People for Elmhurst Parks Foundation (PEP), a bronze plaque will be installed on an available lamppost to preserve the legacy of your loved one or commemorate a special occasion.

CASH DONATIONS

Cash donations are a direct way to show your love for the parks. Donations can be unrestricted or restricted to a particular park, building, or program area.

LAND TRUSTS

The development and protection of green space is a key objective of the District. Land trusts are a wonderful way to ensure more green space for future generations.

WILLS & LIVING TRUSTS

The Elmhurst Park District benefits from your planned future support of our parks and facilities. Much of the valued green space in the community today is the result of generous Elmhurst residents.

For information about our Tree Memorial, Lamppost Memorials and Park Bench programs, e-mail mlovato@ epd.org or call (630) 993-8939. People for Elmhurst Parks Foundation

Founded in 1985, the People for Elmhurst Parks Foundation (PEP) is an independent group of concerned individuals that works in partnership with the Park District to raise funds for many park and recreation projects that benefit the community. Since its inception, PEP has raised over \$350,000 to help fund projects such as Safety Town, the Spring Road Gazebo at the Prairie Path, the Mobile Band Shell, Prairie Path lampposts, York Commons Skate Park and the Wilder Mansion Historic Preservation & Beautification Endowment Fund.

Want to Start Making a Difference?

Interested in becoming a PEP Board member or volunteer? For more information on the PEP Board or volunteering with PEP, please call (630) 993-8924 or e-mail pep@epd.org and receive a PEP membership & volunteer application.

Recreation Assistance Program

PEP created the Recreation Assistance Fund which provides assistance to financially disadvantaged families so that they and their children can participate in recreational programs. You can donate to this fund right on your program application. In 2011 alone, the Recreation Assistance program provided \$38,951 to 94 deserving families.

Wilder Mansion Historic Preservation & Beautification Endowment Fund
