2020 Vision

Focus on the Future

The public health crisis caused by the COVID-19 pandemic has impacted Park District operations and its ability to provide programs, facilities, and services to the community. These short-term effects will likely have long-term implications for the District and the Elmhurst community. Therefore, the Park Board is refocusing its current strategy to address the Vision 2020 large-scale project priorities identified by the community as high priorities. On March 30, 2020, it decided to stop planning for a potential referendum in November 2020 and is no longer pursuing the contingent based purchase of the 837 S. Riverside Drive property at this time.

After this current situation stabilizes and the long-term financial impacts are known, the Park Board and staff will consider new strategies to address large-scale project priorities. We will continue gathering community feedback to ensure that we meet the community's future parks and recreation needs in a fiscally responsible and sustainable manner. The Park Board will be transparent with the community on the next steps that it will take to move Vision 2020 priorities forward and meet the District's mission of enriching lives while having fun.

To the Elmhurst Community ...

I write this letter in unprecedented times. With the arrival of the coronavirus pandemic this winter, many of us have found ourselves at home wondering what comes next. We hope, in these challenging times, the District's parks and trails have offered you an opportunity to restore your mind and body.

The Park District has been exercising an abundance of caution and has based its decisions on recommendations from public health officials to minimize exposure to participants and staff and limit the spread of the virus while reducing strain on the healthcare system.

While Park District programs, facilities and events have faced closures, cancellations and postponements this spring, we remain hopeful that the upcoming summer season will be a wonderful time to get out and recreate. The Park District offers you and your family many chances to keep healthy and have fun. We encourage you to use this time to enjoy the parks in a safe manner, while maintaining the social distancing recommendations issued by the CDC.

2020 marks the Park District's 100th anniversary and since its beginning, the community has been the key to the Park District's success. We look forward to spending the summer celebrating our anniversary with you. We have many exciting things planned, but be sure to visit www.epd.org and our Facebook page to get the latest information on events and programs.

I hope we will all have an enjoyable summer and get to spend some beautiful days in the parks.

On behalf of my fellow commissioners, it is our privilege to serve you in every season.

Vince Spaeth, Board President

Early CHILDHOOD

The Elmhurst Park District recognizes that children's experiences in the early years of life influence how they develop, learn, and interact with the world.

Early childhood is marked by tremendous growth and sets the foundation for children's future learning and ongoing development. Consequently, the Park District offers a series of early childhood programs designed specifically for infants/toddlers thru age five that allow children to progress from taking a class with a parent or caregiver to taking classes independently. Our early childhood instructors are CPR/AED certified and have a background in early childhood education.

AQUATICS

Welcome to the Elmhurst Park District Swim School! We offer a variety of swim lessons for ages 6 months to adult. We also offer private swim lessons for ages 3 and older.

WHICH SWIM CLASS IS RIGHT FOR MY CHILD?

Early childhood and youth lessons follow the Starfish Swim School program, a nationally recognized swim instruction curriculum developed by the Starfish Aquatics Institute. The Starfish Swimming curriculum combines both swimming and water safety skill development to help participants advance their swimming skills. Register your child for the program that corresponds with their age.

Starbabies™ – 6-23 months with adult

Startots™ – 2-3 years with adult

Preschool Swim School – 3-5 years

Youth Swim School – 6-12 years

Stroke School® – For students ages 6-12 who have achieved the Green Swim School stage (can tread water for at least 30 seconds & swim freestyle with good form and side breathing for at least 30 feet)

Advanced Stroke School – For students ages 6-12 who are able to swim at least 25 yards (1 length of the pool) with good form freestyle and backstroke.

All participants will be tested on the first day to determine which stage they should begin in. Stages within Swim/Stroke School are based on skill level, not age. Participants will advance to the next stage once they complete the benchmark skills; they may advance through more than one stage in one session.

Cancellation and Make-up Lesson Policies

Lessons are only cancelled due to severe weather, or if the air temperature drops below 65 degrees. If the weather is questionable, please visit the [Rainout Hotline](#) no sooner than 1 hour before the scheduled start time to determine the status of lessons. Make-up lessons will be held on Fridays as needed, and will only be held if the park district cancels the lesson. No make-ups will be issued for sickness or vacations. If more than two lessons are cancelled in a session, a credit will be applied to your Elmhurst Park District account.

The Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors engaged in aquatic activities must recognize that there is an inherent risk of injury.

You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for the activities associated with this Pool Pass. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical/aquatic activity.

Warning of Risk

Swimming and other aquatic activities challenge and engage the physical, mental and emotional resources of each participant. However, despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury, including but not limited to drowning, head/brain injury, and cervical spine injury. Understandably, not all hazards and dangers can be foreseen. The very nature of swimming and aquatic activities are hazardous and risky, including but not limited to fatigue and overexertion, poor swimming skills, failing to avoid dangerous areas, failure of lifeguards to locate victims and/or delay in emergency response time, horseplay, diving or cannon-balling into shallow water and striking the bottom or side of the pool or water slide, poor supervision or instruction, lack of conditioning, becoming disoriented, striking other swimmers, defective or inadequate equipment, striking one's head on the bottom when using a diving block, slipping or falling on the deck or within the locker facility, chemical exposure and all other circumstances inherent to aquatic activities and aquatic facilities. In this regard, it must be recognized that it is impossible for the Park District to guarantee absolute safety.

Photos and videos are periodically taken of people participating in Park District programs and activities. All persons registering for Park District programs/activities, or using Park District property thereby agrees that any photograph or video taken by the District may be used for promotional purposes including social media, publications and online without notice or permission and without participant compensation.

MUSIC

Elmhurst Park District offers a wide variety of music lessons for all ages including Piano, Drum, Guitar and Voice. Playing an instrument, whether

using your voice for singing,

or a piano or guitar for music, is a life skill that can have a positive impact on the brain, according to a study from Northwestern University. While neural timing slows as we age, musicians are faster at processing noise than their non-musician counterparts. Come explore the benefits of music in a supportive, creative environment.

EXHIBITIONS & PROGRAMS

Par Excellence Redux May 9 - September 13, 2020

JUNIOR DEVELOPMENT PATHWAY PROGRAM

Our junior program is the cornerstone of all tennis programming at Courts Plus. Players of all ages develop through the various stages of learning by following our Junior Development Pathway. The Pathway begins with our **10 AND UNDER PROGRAMS** (Mighty Mites, Little Athletes, Big Athletes, and Future Stars). These programs use a curriculum based on the highly successful USTA and ITF 10 and Under program, utilizing appropriate court size and equipment while allowing players to develop through the stages at their own pace.

When children have completed the 10 and Under Program or are new to tennis, they move to the Courts Plus **DEVELOPMENT PROGRAM** and progress at their own pace through the Junior and Senior age levels, with the goal of moving into the **ACADEMY PROGRAM** and/or High School Tennis.

The **ACADEMY PROGRAM** is the pathway for the more serious player who has made a commitment to tennis, competing in tournaments and wants to play on Varsity tennis teams. The **ACADEMY PROGRAM** includes programming at both the junior and senior level.

For players who aspire to play at the top level of competition after the culmination of the Courts Plus Junior Development Program, we offer the **ACADEMY HIGH SCHOOL AND TOURNAMENT GROUPS**.

**COURTS PLUS
HONORED FOR
EXCELLENCE AS
A 2019 USTA FACILITY
AWARD WINNER!**

The United States Tennis Association (USTA) announced that Courts Plus is one of 25 winners in the 38th annual USTA Facility Awards program, which recognizes excellence in the construction and/or renovation of tennis facilities throughout the country.

Love Your Parks: Give the gift that lasts a lifetime!

MEMORIALS and GIFTS

The Elmhurst Park District's mission is to provide experiences for the lifetime enjoyment of people who live and play in Elmhurst. Much of what the District provides would not be possible with tax dollars alone. Private help and strong partnerships are essential if we are to continue to enhance our recreation and parks system. Love your parks...and give a gift that lasts a lifetime.

TREE MEMORIAL PROGRAM

The Tree Memorial Program is available to commemorate individuals, organizations and special events such as birthdays and anniversaries. Memorial trees, once planted and marked with a bronze plaque, are living dedications that enhance the community. A wide variety of trees are available through the program, with prices varying according to species. Bronze plaques are placed at the foot of each tree, and plaque prices vary depending on the size and length of your inscription.

COMMEMORATIVE BRICKS PROGRAM

The Elmhurst Park District invites you to honor a loved one or commemorate a special occasion with a permanent engraved brick paver. With seven unique locations to choose from, including the Diana Nicholas Memorial Garden at Wilder Mansion, The Hub at Berens Park, and the Wilder Woodland Walkway, you're sure to find the perfect spot for your message.

PARK BENCH MEMORIAL PROGRAM

Create a dedicated space to commemorate a special person in your life or celebrate a special event with a Park Bench Memorial. Once installed, park benches are marked with a 2" x 4" bronze plaque and can be personalized with up to three lines of type. The commemorative park bench serves as a beautiful lasting remembrance that will benefit the community for many years.

LAMPPOST MEMORIAL PROGRAM

Framing the Prairie Path, Elmhurst's lampposts light the way for the hundreds of bikers, walkers, runners and nature enthusiasts that traverse its length each day. With a donation to the People for Elmhurst Parks Foundation (PEP), a bronze plaque will be installed on an available lamppost to preserve the legacy of your loved one or commemorate a special occasion.

CASH DONATIONS

Cash donations are a direct way to show your love for the parks. Donations can be unrestricted or restricted to a particular park, building, or program area.

LAND TRUSTS

The development and protection of green space is a key objective of the District. Land trusts are a wonderful way to ensure more green space for future generations.

WILLS & LIVING TRUSTS

The Elmhurst Park District benefits from your planned future support of our parks and facilities. Much of the valued green space in the community today is the result of generous Elmhurst residents.
